Scope of Work

Provision for disconnection and reconnections of electricity supplies in Mthatha and Aliwal North areas within the Eastern Cape Operating Unit (ECOU). Classifications of distances travelled between service points: Rural High (RH) longer distances between service points, Rural (R) average distances between service points and Urban (U) concentrated areas. Some areas will be changed for the purpose of the contract from Rural to Rural High due to the long distances travelled. The contractor will visit a meter installation and perform a disconnection/reconnection activity at ground level as per Eskom instruction.
