1 INTRODUCTION

1.1. The South African Social Security Agency (SASSA) was established in terms of Section 2 of the South African Social Security Agency Act, 2004 (Act No.9 of 2004). SASSA is a schedule 3A public entity in terms of the Public Finance Management Act, 1999 (Act No. 1 of 1999, as amended), which is responsible for the management, administration and payment of social assistance grants.

1.2. The vision for SASSA is to be a leader in innovative social security services. In order for SASSA to realise its objectives, the provision of reasonable and suitable accommodation from which it conducts its activities is of great importance.

2 BACKGROUND

2.1. SASSA Gauteng Region has been rendering services to the community of Kempton Park in accommodation that does not meet SASSA standards and multiple attempts to secure conducive office space have not yielded positive results. The Region has been rendering services directly from facilities procured from a variety of landlords and would do the same for Kempton Park Local Office.

2.2. The community of this area is well established and therefore in need of conveniently accessible SASSA services, including the crucial service of poverty alleviation which the Agency renders to qualifying beneficiaries throughout the country.

3 DURATION

3.1. The required office accommodation will be for a period of (5) five years from the date of occupation.

4 PROJECT OBJECTIVES

4.1. SASSA seeks to enter into a lease agreement with competent and reputable landlords who have knowledge and experience in the provision of office accommodation to government entities/departments.

5 PROJECT SCOPE

5.1. Due to an urgent need for office space in the Kempton Park area interested service providers are required to have an existing building which can be easily customised to suite SASSA standards and specific accommodation requirements, in addition to complying with legislation and Building Industry Regulations (BIR) for a period of (5) five years, in accordance with the following accommodation requirements:

OFFICE	SQUARE METRE (GLA)	PARKING BAYS
Kempton Park Local Office	517.50 m ²	10 undercover parking bays. • In instances where any or all parking bays are not on-site, the distance from the property offered to the parking facility may not exceed 100 m. • The parking facility, whether on-site or off-site, should be guarded at all times.

5.2. Office Accommodation and Parking for SASSA Staff

5.2.1. The service provider is expected to provide office accommodation, parking for vehicles belonging to the agency, its staff members and members of the public, and facility maintenance.

5.2.2. The office space must comply with among others, National Building Regulations and Building Standards Act 103 of 1977, and its Regulations, as amended, Occupational Health and Safety Act 85 OF 1993, and its Regulations, as amended as well as all applicable Provincial Ordinances and Municipal by-laws. The successful bidder will be given specifications of SASSA "New Look and Feel" for customisation of the building to suit SASSA needs. This will be in the form of Tenant Installation (TI) to meet SASSA requirements and must be completed within a period of 3 months after award.

5.3. Business Continuity Plan signed by the Bidder in respect of the following:

- 5.3.1. Provision of a back-up drinkable water installation to service ablutions and kitchens for a minimum period of **8 hours or capable of storing 10 000 litres**, whichever is greater.
- 5.3.2. Provision of a back-up electricity installation in the form of a generator **(20KVA)** or solar **(15Kwh)** to service key equipment such as IT servers and other equipment that is deemed by SASSA to be essential to its core business.
- 5.3.3. In instances where the above back-up installations are not in place at the time of site inspection, the bidder will be required to sign an undertaking to instal same within a period of 3 months should he or she be awarded this contract. If the bidder cannot instal same, the bidder shall grant SASSA the right to instal back-up water and electricity installation at its own cost and recoup the cost of installation in a manner which the organisation elects to use. To this extent, bidders must complete Annexure F in full.
