

R350 ONLY
THROUGH BABA NOWA
MY LIFE CHANGED COMPLETELY

It is true, if you have suffered enough but one day your life will change completely.

Now it's time to see Miracles through Baba Nowa. My name is Mpho, stay in Newcastle, KZN.

I am here to testify about what Baba Nowa did in my life. He helped me with financial problems, since I have tried many doctors and read many Testimonies but never got help. When I read the Testimony of Mr Mtuli that Baba Nowa had changed his life with only R250, I decided to contact him for my problems. He asked to choose between lucky wallet and the short boys to put money in my account or blackstone to bring money in my house. I then chose the short boys to put money in my account. I was shocked after I waited a few hours to receive a notification from the bank that the money I chose was deposited into my bank account. My sister after seeing this, she also called and chose lucky wallet. Since she was far she gave him her address then he sent the parcel to her via SPEED SERVICE COURIERS and she got it the same day. She got a lot of money from that wallet and paid him his percentage.

Thank you Baba Nowa for changing my life. My family and friends I introduced to you Baba are happy.
