On 20 October 2023 Hendrina Power Station issued out an enquiry **MPHEN10897GX** to the open market for **construction and installation of landing platforms for the main distribution chutes at the Hendrina Power Station for the period of 12 months.**

The tender closed on 05 December 2023 at Eskom tender box in Smuts Avenue in Witbank

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **construction and installation of landing platforms for the main distribution chutes at the Hendrina Power Station for the period of 12 months** due to the following reason/s:

- The reason for cancellation is that no acceptable tenders were received. All received responses were technically unacceptable.

Faithfully
