Transformer Subcontracting- Full Rewind of Various Transformers

Presenters: Zenie Bota, Mashudu Mulaudzi

Following the meeting held on the 22 September 2026, an error was noted on the pricelist on the NEC3 TSC

Please note that a revised NEC 3 TSC has been attached and the previous version removed. Matla Overland transformer rating is 1.6MVA as per the SOW and not the rating reflecting on the previous pricelist.
