- (a) each member of the joint venture is registered with the CIDB,
 - (b) the lead partner has a contractor grading designation in CE four (4) class or higher of construction work; and
 - (c) the combined contractor grading designation calculated in accordance with the Construction Industry Development Regulations (according to the CIDB website Joint Venture Grading Designation Calculator) is equal to or higher than a contractor grading designation determined in accordance with the sum tendered for a CE class of construction work (Estimate CE 4).
- ii Tenderers who are not registered or don't have the minimum grading will not be considered.

Evaluation Criteria

Evaluation Criteria	Total Points Allocated	Minimum Threshold Required
Functionality	100 points	70 points
80/20 Preferential Point System		
Price	80	N/A
Specific goals	20	N/A

The assessment of functionality will be done separately from the 80/20 preference points system. Bidders that fail to meet the minimum threshold of **70 points** for functionality shall not be considered for further evaluation.

The overall evaluation and adjudication of this bid will be in terms of the **Preferential Procurement Policy Framework Act No.5 of 2000** and the **Preferential Procurement Regulations, 2022** (80/20 Preferential Point System), whereby a value of 80 points will be allocated for the total competitive costs (price) of the bid and 20 points will be allocated for Specific Goals set for this Tender. The formula is set out in Form SBD 6.1.

The following Preferential Point System is applicable for this invitation to tender:

In terms of the Preferential Procurement Regulations, 2022 clause 3(1)(b), preference points must be awarded to specific goals as stated in the tender.

SPECIFIC Goals promoted for this Bid

Enterprise with Ownership of 51% or more by person/s who are woman.

Enterprise with Ownership of 51% or more by person/s who are youth.

Promotion of Enterprises located in the Free State

Promotion of Enterprises located in the District tendering for.

The points scored for specific goals will be added to points scored for price and the total must be rounded off to the nearest two decimal places.

NB: Necessary documentation or proof required as indicated in the tender document under Table 1 of SBD 6.1 must be submitted in order for bidders to claim points for specific goals promoted for this tender. Failure to do so will result in points for specific goals not being allocated.

The bidder must indicate how they claim points for each specific goal by fully completing SBD 6.1.
