Dear Tenderers

ADDENDA NO.1

The pre-qualification of a panel of ten (10) contractors for the construction and dismantling of High Voltage (HV) distribution lines for voltages ranging from 44kV up to and including 132kV. The panel will include refurbishment, strengthening and direct customer projects within Limlanga Cluster- Limpopo, on an “as and when” required basis over a period of 60 months.

Enquiry No: E1444DXLP

Following the tender briefing/clarification meeting held on 08 July 2025 via online Microsoft Teams, Eskom would like to correct the following as presented on Safety requirements which is reflected on page 31–35 of the published Request for Proposal (RFP) document:

No	Criteria
2	Submit a Valid Letter of Good Standing or equivalent, i.e., COID, FEMA or RMA. Your COID must depict the correct/ relevant nature of business, e.g., Installation, Electrical Construction etc. Copy must be certified not older than 3 months at the date and time of the tender closing.
7.2	Provide Proof of compliance to SACPCMP registration requirements. (Proof of CHS Officer and CHS Manager SACPCMP Registration Validation Certificate by the SACPCMP). Certified copy not 3 months older at the date and time of the tender closing.

1. During the clarification presentation for safety requirements of the tender, Eskom indicated that the certified copies for the above requirements are not required, which was an error on Eskom’s side.
2. Eskom would like to correct and rescind those statements, as presented on safety requirements during the tender briefing/clarification for the two items indicated above
