 - 2.1.3 Bidders must familiarise themselves with the implications of contravening the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004 and any other relevant legislation.

3. NOTICE TO BIDDERS

- 3.1 The NNR calls on all service providers/ bidders not to be lured into tender (bid) fraud scam which requires upfront payment in doing business with the NNR.
- 3.2 The NNR would like to clearly state that service providers/bidders are not expected to pay any fee upfront to be awarded a tender (bid).
- 3.3 Service providers / bidders are urged to remain vigilant to the tender (bid) scam and any other scams. On suspicions of such, service providers/ bidders are advised to report it to law enforcement agencies and /or the NNR SCM or Legal Services officials.

4. UNDERTAKING AND OBLIGATION OF THE BIDDER

- 4.1 The successful bidder may, upon receipt of written notification of an award, be required to conclude a Service Level Agreement (SLA) with the NNR, which will form an integral part of the service provider's agreement. The SLA will serve as a tool to measure, monitor and assess the service provider's performance level and ensure effective delivery of service, quality and value-add business for the NNR.

Non-Restricted

- 4.2 The successful bidder shall render all or any of the services described in the attached documents on NNR terms and conditions and in accordance with the terms of reference stipulated in the bid document (which shall be taken as part of, and incorporated into bid proposal)
- 4.3 The bidder shall prepare possible presentation should the NNR require such and the bidder shall be notified thereof in time before the actual presentation date.
- 4.4 The bidder hereby agrees that the offer herein shall remain binding upon receipt of acceptance by the NNR during the validity period indicated and calculated from the closing date of the bid; this offer and its acceptance shall be subject to the terms and conditions in this bid document.
- 4.5 The bidder shall confirm their satisfaction to the correctness and validity of the bid response that the price/s quoted cover all the work/items(s) specified in the bid response document and that the price(s) cover all obligations under a resulting contract and he/she accept that any mistake regarding price(s) and calculations will be at their own risk.
- 4.6 The bidder accepts full responsibility for the proper execution and fulfillment of all obligations and conditions arising under this agreement as the main fulfillment liable due to this contract.

5. LEGISLATIVE FRAMEWORK OF THE BID

5.1 Tax Legislation

- 5.1.1 Bidder(s) must be compliant when submitting a proposal to the National Nuclear Regulator and remain compliant for the entire contract term with all applicable tax legislation, including but not limited to the Income Tax Act, 1962 (Act No. 58 of 1962) and Value Added Tax Act, 1991 (Act No. 89 of 1991).
- 5.1.2 It is a condition of this bid that the tax matters of the successful bidder are in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.
- 5.1.3 The Tax Compliance status requirements are also applicable to foreign bidders / individuals who wish to submit bids.

Non-Restricted

- 5.1.4 It is a requirement that bidders grant a written confirmation when submitting this bid that SARS may on an on-going basis during the tenure of the contract disclose the bidder's tax compliance status and by submitting this bid such confirmation is deemed to have been granted.
- 5.1.5 Bidders are required to be registered on the Central Supplier Database and the National Treasury shall verify the bidder's tax compliance status through the Central Supplier Database.
- 5.1.6 Where Consortia / Joint Ventures / Sub-contractors are involved, each party must be registered on the Central Supplier Database and their tax compliance status will be verified through the Central Supplier Database.
- 5.1.7 Bids received from bidders with a non-compliant tax status may be disqualified with failure to update the Tax Status within 7 days.
- 5.3 Technical Legislation and/or Standards**
- 5.3.1 Bidder(s) should be cognisant of the legislation and/or standards specifically applicable to the services.

6. TIMELINE OF THE BID PROCESS

- 6.1 All dates and times in this bid are South African standard time.
- 6.2 Any time or date in this bid is subject to change the discretion of the at NNR. The establishment of a time or date in this bid does not create an obligation on the part of the NNR to take any action or create any right in any way for any bidder to demand that any action be taken on the date established. The bidder accepts that, if the NNR extends the deadline for bid submission (the Closing Date) for any reason, the requirements of this bid otherwise apply equally to the extended deadline.

7. CONTACT AND COMMUNICATION

- 7.1 Telephonic requests for clarification will not be considered. Any clarification required by a bidder regarding the Terms of Reference/specifications, or any other aspect concerning

Non-Restricted

this bid or bid document, **must be requested in writing (e-mail)** stating the bid reference number from the following contact person(s), **Sanelisiwe Mavundla or Lindiwe Nkosi**

Email: Smavundla@nnr.co.za or Lnkosi@nnr.co.za

7.1.1 Queries received will be responded to within two (2) working days of receiving the query.

7.1.2 The NNR will not respond to any enquiries received less than seventy-two (72) hours before the closing date and time of the bid.

7.2 The NNR SCM office may communicate with Bidder(s) where clarity is sought in the bid proposal.

7.3 Any communication to an official or a person acting in an advisory capacity for NNR in respect, other than the officials indicated in 7.1 above, is prohibited.

7.4 All communication between the Bidder(s) and NNR must be done in writing (by email).

7.5 Whilst all due care has been taken in connection with the preparation of this bid, NNR makes no representations or warranties that the content of the bid or any information communicated to or provided to Bidder(s) during the bidding process is, or will be, accurate, current or complete. NNR and its employees and advisors will not be liable with respect to any information communicated which may not be accurate, current or complete.

7.6 All persons (including Bidder(s)) obtaining or receiving the bid and any other information in connection with the bid or the tendering process must keep the contents of the bid and other such information confidential and not disclose or use the information except as required for the purpose of developing a proposal in response to this bid.

8. LATE BIDS

Bids received after the closing date and time, at the address indicated in the bid documents, will not be accepted for consideration.

9. COUNTER CONDITIONS

The Bidder's attention is drawn to the fact that amendments to any of the Bid Conditions or setting of counter conditions by Bidders or qualifying any Bid Conditions will result in the invalidation of such bids.

Non-Restricted

10. FRONTING

- 10.1 The NNR supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background the NNR condemns any form of fronting.
- 10.2 The NNR, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry and Competition, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies the NNR may have against the Bidder / contractor concerned.

11. COMPANY VETTING

The successful bidder(s) may be subjected to a security screening /or vetting process by the State Security Agency at any stage during the contract. If the results thereof are negative and/or unfavourable and/or have a material or adverse effect to the carrying out of the contract, the NNR shall be entitled to immediately cancel the contract in writing.

12. SUPPLIER DUE DILIGENCE

The NNR reserves the right to conduct supplier due diligence prior to final award or at any time during the contract period. This may include site visits and requests for additional information.

Non-Restricted

13.3 Bid documents will only be considered if received by NNR before the closing date and time, regardless of the method used to send or deliver such documents to the NNR.

13.4 The bidder(s) are required to submit a bid proposal comprising of: One (1) original, Two (2) duplicates/copies and; One (1) electronic copy with the information of the original file.

SECTION 4: TERMS OF REFERENCE

1. INTRODUCTION

- 1.1 The National Nuclear Regulator (NNR) is a public entity which is established and governed in terms of Section 3 of the National Nuclear Regulator Act, 1999 (Act No. 47 of 1999) to provide for the protection of persons, property and the environment against nuclear damage through the establishment of safety standards and regulatory practices.
- 1.2 The objects of the NNR are to exercise nuclear and radiation regulatory control over facilities and activities through the granting of authorisations and further providing assurance to members of the public that there is compliance with conditions of authorisations issued through the implementation of a system of compliance inspections and enforcement.
- 1.3 The NNR utilises Technical Support Organisations (TSOs) from time to time to assist the regulatory staff in the conduct of its regulatory activities. Support is required for the review and assessment process where the basic objective is to determine whether applicants for authorisations submissions demonstrate that the facility complies throughout its lifetime with the safety objectives and requirements as stipulated by the of the National Nuclear Regulator Act, (Act No. 47 of 1999) its associated regulations and conditions of authorisations approved by the Regulator. Such reviews and assessments are applicable to the various safety related cases developed for the different stages (siting, design, construction, commissioning, operation and decommissioning or closure), and submissions associated with major projects and modifications at facilities. The NNR also makes use of TSOs for independent verification activities and audits on authorisation applicants, holders, vendors and suppliers to ensure compliance. The NNR further utilises TSOs in the development of regulatory framework documents.
- 1.4 The TSO is required to be independent in the exercise of its duties and should be cognisant of the fact that the regulatory staff are responsible for the final decisions during the development of regulatory framework documents, review and assessment and independent verification process, based on technical reports and recommendations

Non-Restricted

therein, but may seek second opinion of another entity or opt for an alternative solution as the NNR deems fit.

2. PURPOSE AND BACKGROUND

- 2.1** The purpose of the bid is for the appointment of a Technical Support Organisation (TSO) for development of regulatory framework documents, review and assessment, audits and independent verification services, laboratory analysis and scientific computer codes to the NNR for a period of five (5) years.

3. SCOPE OF WORK

- 3.1** The scope of work includes support of regulatory activities such as development of regulatory framework documents, review and assessment, audits and independent verification services, laboratory analysis and scientific computer codes services.
- 3.2** The TSO will be required to work with the NNR staff as an independent service provider and provide knowledge transfer.
- 3.3** All regulatory support activities will be performed in accordance with the NNR regulatory practices which are informed by the NNR Act (as amended), its regulations and internal processes.
- 3.4** The TSO is expected to perform technical support to the NNR which includes but not limited to the following regulatory activities (also see Table 1 below):
- (1) Siting for Nuclear Power Plants and Nuclear Facilities
 - (2) PWR Thermal Power Upgrade
 - (3) PWR Plant Ageing Management
 - (4) PWR Long Term Operation (LTO)
 - (5) Radioactive Waste Management
 - (6) Decommissioning
 - (7) Plant Modifications
 - (8) Maintenance / In-Service Inspection
 - (9) Scientific Computer Codes
 - (10) Traffic Evacuation Modelling and Demographics
 - (11) Meteorology

Non-Restricted

- (12) Oceanography and coastal engineering
- (13) Human induced external events
- (14) Source term analysis for nuclear material
- (15) Scientific support on seismic analysis
- (16) Environmental science
- (17) Marine biology
- (18) Ecology
- (19) Accident Analyses
- (20) Probabilistic Safety Assessments
- (21) Radio-analytical analysis
- (22) NORM related activities
- (23) Mining Ventilation
- (24) Radon dose assessment
- (25) Geology, Hydrology and Geohydrology
- (26) Ground water modelling
- (27) Public Radiation Protection Programmes
- (28) Epidemiological Studies
- (29) Medical Surveillance programmes
- (30) Chemistry programmes
- (31) Dosimetry programmes and bioassay
- (32) Radiobiology (Bio-dosimetry)
- (33) Physical Security of Nuclear Facilities and Activities
- (34) Any other core regulatory activities

SECTION 5: EVALUATION AND SELECTION PROCESS

1. EVALUATION PROCESS

1.1 The Bid will be evaluated in four phases as follows:

1.1.1 Phase 1: Administrative Compliance

Administrative criteria will be applied in the initial phase of the evaluation. Bidders who do not meet all the administrative compliance criteria may not be considered for Phase 2 of the evaluation.

1.1.2 Phase 2: Functional Evaluation Criteria

The evaluation criteria aim to assess the bidder's capability, reliability, and ability to execute the work as outlined in the bid and/or contract document. Bids will be evaluated according to the bid evaluation criteria stipulated in the terms of reference. Bids that fail to meet the minimum qualifying score will be disqualified.

1.1.3 Phase 3: Specific Goals and Price

In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations 2022, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the specific goals prescribed and must be supported by proof/ documentation stated in the conditions of this tender.

The Bidders who have met the requirements of the above three phases of the bidding process will be scored based on price and specific goals allocation in accordance with the applicable legislation.

The successful Bidder will typically be the Bidder that scores the highest number of points on Phase 3 of the Bid evaluation, unless the NNR exercises its right to cancel the tender or there is an objective criterion to justify awarding a contract to another bidder that did not obtain the highest score.

PHASE 1: Administrative Compliance

The following administrative compliance will be applied in the initial stage of the evaluation.
Bidders who do not meet the administrative compliance may not be considered for the next phase of evaluation.

Bidders are required to complete the table below by indicating whether they comply with the requirement by marking the appropriate column with an 'X' on the table below. Bidders are required to corroborate each requirement, where applicable.

Requirements	Non-Compliant	Compliant	Comment or reference to section in the bid Document
1. Correctly completed tender document, signed where prescribed			
2. Board resolution/proxy letter for delegation of authority must be submitted as evidence that the person who signed the proposal has the authority to do so.			
3. Tenders must be tax compliant with the SARS. Submit unique personal identification number (PIN) issued by SARS to enable the NNR to view the taxpayer's profile and tax status.			
4. Central Supplier Database (CSD) submit proof of registration.			
5. Bidder has submitted all returnable documentation to the NNR (Annexures and SBD forms) (SBD1; SBD 2; SBD 3.1 or 3.2; SBD 4 & SBD 6.1			
6. Certificate of Authority for Joint Ventures/Joint Venture agreement			
7. Company profile			
8. Company Organogram (relevant to the project).			
9. General Conditions of Contract – signed

PHASE 2: Functional Evaluation Criteria

- a. Bids will be evaluated according to the bid evaluation criteria stipulated in the terms of reference.
- b. Bidders must, as part of their bid documents, submit supportive documentation for all technical requirements as indicated hereunder. The committee responsible for scoring the respective bids will evaluate and score all bids based on the submissions and the information provided.
- c. Bidders will not rate themselves but need to ensure that all information is supplied as required.
- d. The Bid Evaluation Committee (BEC) will evaluate and score all responsive bids and will verify all documents submitted by the bidders.
- e. The committee will individually evaluate the responses received against the following criteria as set out below: each individual criterion on the score sheet using the following scale of **0-5** in accordance with the criteria below. The rating will be as follows; 0= very poor or non-submission, 1=poor; 2= Average; 3= Good; 4= Very Good and 5= Excellent.

Total points scored by bidder for functionality= Weighted value score

Percentage allocated for functionality (100)

$$\frac{\text{Percentage allocated for functionality (100)}}{\text{Maximum Potential Score (500)}} \times$$

- f. Individual value scores will be multiplied with the specified weighting for the criterion to obtain the marks scored for all elements. These marks will be added and expressed as a fraction of the best possible score for all criteria.
- g. Any proposal not meeting a minimum score of **65** out of 100 for functionality will be disqualified and will not be evaluated further on Price and Specific Goals.

PHASE 3: Price and Specific Goals

In terms of Regulation of the preferential Procurement Regulations pertaining to the Preferential Procurement Framework Act, 2000 (Act 5 of 2000) responsive bids will be evaluated on the **80/20**-point system in terms of which points are awarded to bidders based on:

- Price points **80**
- Specific goals **20**

Price points

The following formula will be used to calculate the points for price:

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

- P_s** = Points scored for price of bid under consideration
P_t = Price of bid under consideration
P_{min} = Price of lowest acceptable bid

Specific goals

A maximum of 20 points may be awarded in respect of specific goals, which points must be awarded to a bidder for attaining the specific goals in accordance with the table below:

Specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
50% or more: Owned by black people	10	
30% or more: Owned by black women	5	
20% or more: Owned by white women	3	
10% or more: Owned by people with disabilities	2	

The following documentary proof must be submitted to claim for specific goals:

- a. Black ownership: Certified identity document, BBBEE certificate or sworn affidavit.
- b. Black women ownership: Certified identity document, BBBEE certificate or sworn affidavit.
- c. Disability ownership: Certified identity document, BBBEE certificate or sworn affidavit.
- d. White women ownership: Certified identity document, BBBEE certificate or sworn affidavit.

ANNEXURE 2

SBD 6.1

**PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and

a) The applicable preference point system for this tender is the **80/20** preference point system.

1.2 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.3 The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.4 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.5 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

Non-Restricted

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis:

80/20

$$Ps = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies,

Non-Restricted

an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
50% or more: Owned by black people	10	
30% or more: Owned by black women	5	
20% or more: Owned by white women	3	
10% or more Owned by people with disabilities	2

| | 3.2 | With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za |
| 4. Standards | 4.1 | The goods supplied shall conform to the standards mentioned in the bidding documents and specifications. |
| 5. Use of contract documents and information; inspection | 5.1 | The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance. |
| | 5.2 | The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract. |
| | 5.3 | Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser. |
| | 5.4 | The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser. |
| 6. Patent rights | 6.1 | The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser. |
| 7. Performance security | 7.1 | Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC. |
| | 7.2 | The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract. |
| | 7.3 | The performance security shall be denominated in the currency of the contract or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms.
(a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
(b) a cashier's or certified cheque |
| | 7.4 | The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC. |
| 8. Inspections, tests and analyses | 8.1 | All pre-bidding testing will be for the account of the bidder. |

Non-Restricted

- | | | |
|-----------------------------------|------|---|
| | 8.2 | If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department. |
| | 8.3 | If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned. |
| | 8.4 | If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser. |
| | 8.5 | Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier. |
| | 8.6 | Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected. |
| | 8.7 | Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier |
| | 8.8 | The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC. |
| 9. Packing | 9.1 | The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit. |
| | 9.2 | The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser. |
| 10. Delivery and documents | 10.1 | Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC. |
| | 10.2 | Documents to be submitted by the supplier are specified in SCC |

- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.
- 16. Payment**
- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC
- 17. Prices**
- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.
- 18. Contract amendments**
- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.
- 19. Assignment**
- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.
- 20. Subcontracts**
- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.
- 21. Delays in the supplier's performance**
- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

Non-Restricted

- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.
- 22. Penalties**
- 22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.
- 23. Termination for default**
- 23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part.
- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- 23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
- 23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons
- Non-Restricted

why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

**24. Anti-dumping
and
countervailing
duties and
rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
