1. INTRODUCTION

The Mining Qualification Authority (MQA) is a public entity established in terms of section 45 of the Mine Health and Safety Act No. 29 of 1996 (MHSA) and is a Sector Education and Training Authority (SETA) in terms of item 4A to the second schedule of the Skills Development Act, Act no. 97 of 1998 (SDA). The MQA is listed as a schedule 3(a) public entity in terms of the Public Finance Management, Act no. 1 of 1999 (PFMA) and has an Accounting Authority (the Board) that is constituted in terms of the MHSA, the SDA and its constitution.

The National Skills Development Plan (NSDP) among others, responds to it by outlining outcomes to be met by various agencies through various interventions to increase access to high quality and relevant education and training and skills development opportunities, including workplace learning and experience, to enable effective participation in the economy and society by all South Africans and reduce inequalities.
