**ADDENDUM TO BID DOCUMENT SPECIFICATION- SERVER UPGRADE INFRASTRUCTURE  
-SUPPLY, CONFIGURE AND INSTAL ONE PRODUCTION SERVER  
(BID NUMBER: 406/2026)**

This addendum serves to clarify the server storage specification contained in the bid documentation 406/2026 on page number 11 (minimum specification).

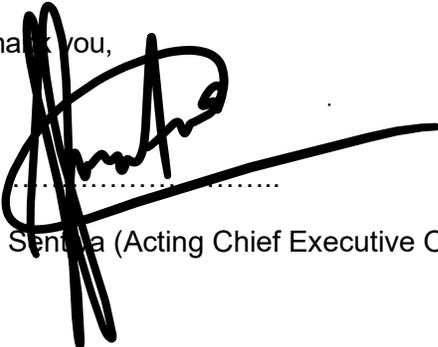

Please be advised that the original tender specification did not explicitly state the number of SSDs and hard drives.

The bid document is amended as follows: server storage configuration:

- 2 units × 480GB SSD SATA Read Intensive, 6Gbps, 512e, 2.5-inch, Hot-plug, AG Drive, 1 DWPD
- 6 units × 2.4TB Hard Drives SAS ISE, 12Gbps, 10K RPM, 512e, 2.5-inch, Hot-Plug

All other bid terms and conditions remain unchanged.

Thank you,

  
.....  
S. Sentema (Acting Chief Executive Officer)
