# T1.2 Tender Data: Procurement Procedures (Continued...)

## Clause C.1.6 Procurement Process

Works Projects can be allocated anywhere within the respective region within the boundaries of the City of Cape Town

## T1.2 Tender Data: Procurement Procedures

- Tender Type:
  - Panel Award
  - Rates based
- Appointments:
  - City intends to appoint a panel of two (2) tenderers for Category A and B respectively on a City Wide basis.
  - The City reserves the right to appoint fewer tenderers to the panel, or not to appoint a panel at all for either of the works project categories.
  - Tenderers that meet the requirements of both categories are allowed to submit a tender offer for Category A and B.

| WORKS PROJECT CATEGORY A (CIDB GRADE 2CE OR HIGHER)<br>Works Project Value: Above R500,000 up to R1,000,000 | WORKS PROJECT CATEGORY B (CIDB GRADE 3CE OR HIGHER)<br>Works Project Value: Above R1,000,000 up to R3,000,000 |
|-------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|
| City Wide                                                                                                   | City Wide                                                                                                     |
| Contractor 1                                                                                                | Contractor 1                                                                                                  |
| Contractor 2                                                                                                | Contractor 2                                                                                                  |

(Values including contingencies and VAT, but excluding contract price adjustment.)

- Awards will be made in terms of the **tender evaluation points**.
- Contractors, once appointed and subject to operational requirements, will be invited to **execute the works by means of Works Project**.

# T1.2 Tender Data: Procurement Procedures (Continued...)

\*Ownership: main tendering entity

## T1.2 Tender Data: Procurement Procedures (Continued...)

---

- **Clause C.3.11.3.4 General procurement procedures:**

- General procurement procedures specific to this tender are set out in C.1.6.1.
- For the purpose of evaluating this tender, two (2) distinct baskets of quantities, one (1) for Category A, one (1) for Category B, to which each Category will be evaluated separately.
- Each basket will be valued within the specified Works Project category value range. These projects will be representative of the typical works required across the city.
- The basket of quantities for each Works Project category will correspond to items listed in the Schedule of Rates, necessary for the execution of the representative works projects. These quantities will be multiplied by the rates provided by each tenderer to determine the cost per item, which will then be totalled to produce a financial offer, for each tenderer, as required in terms of the Preferential Procurement Regulations.

## ***T1.2 Tender Data: Procurement Procedures (Continued...)***

---

- Based on the tender evaluation points scored in terms of the Preferential Procurement Regulations, the responsive tenderers will be considered, taking into account that:
  - a) each tenderer may be awarded both categories, should they be eligible in terms of CIDB Grading per Category.
  - b) the tender evaluation points (in terms of the Preferential Procurement Regulations) would be the primary basis upon which awards will be made.

**A RISK ANALYSIS WILL ALSO BE DONE AS PART OF THE EVALUATION PROCESS**

## T1.2 Tender Data: Procurement Procedures (Continued...)

---

- **Clause C.3.11.4 Risk Analysis:**

Notwithstanding compliance with regard to CIDB registration or any other requirements of the tender, **the employer will perform a risk analysis in respect of the following:**

- a) reasonableness of the financial offer
- b) reasonableness of unit rates (market related)
- c) the tenderers ability to fulfill its obligations in terms of the tender document, that is, that the tenderer can demonstrate that he/she possesses the necessary professional and technical qualifications, professional and technical competence, financial resources, equipment and other physical facilities, managerial capability, reliability, experience, reputation, personnel to perform the contract, etc.
- d) any other matter relating to the submitted bid, the tendering entity, matters of compliance, verification of submitted information and documents, etc.

The conclusions drawn from this risk analysis will be used by the Employer in determining the acceptability of the tender offer in terms of C.3.13).

Complete & sign the Offer completely and correctly for all Categories tendered.

CITY OF CAPE TOWN

DIRECTORATE: URBAN MOBILITY: ROADS INFRASTRUCTURE MANAGEMENT

CONTRACT NO. 74Q/2025/26

TERM TENDER FOR PROVISION OF CONSTRUCTION SERVICES AND ANCILLARY WORKS FOR EMERGENCY AND AD-HOC MAINTENANCE AND REPAIRS TO SLOPES AND EMBANKMENTS IN THE CITY OF CAPE TOWN

### C1.1 Form of Offer and Acceptance (Category A)

#### Offer

The employer, identified in the acceptance signature block, has solicited offers to enter into a contract for the procurement of:

CONTRACT NO. 74Q/2025/26: TERM TENDER FOR PROVISION OF CONSTRUCTION SERVICES AND ANCILLARY WORKS FOR EMERGENCY AND AD-HOC MAINTENANCE AND REPAIRS TO SLOPES AND EMBANKMENTS IN THE CITY OF CAPE TOWN  
WORKS PROJECT CATEGORY A – VALUE ABOVE R500 000 UP TO R1 000 000 (2CE OR HIGHER)

The tenderer, identified in the offer signature block, has examined the documents listed in the tender data and addenda thereto as listed in the returnable schedules, and by submitting this offer has accepted the conditions of tender.

By the representative of the tenderer, deemed to be duly authorized, signing this part of this form of offer and acceptance, the tenderer offers to perform all of the obligations and liabilities of the contractor under the contract including compliance with all its terms and conditions according to their true intent and meaning for an amount to be determined in accordance with the conditions of contract identified in the contract data.

The completed Schedules of Rates (excluding VAT) for city wide, as contained in Part C2.2 Pricing Data, shall form the tender offer. These rates shall be multiplied, as applicable, by the quantities required in respect of relevant items to develop individual Works Projects to be allocated in accordance with the procedures described in Part C1.2 Contract Data in this Framework Contract document.

This offer may be accepted by the employer by signing the acceptance part of this form of offer and acceptance and returning one copy of this document to the tenderer before the end of the period of validity stated in the tender data, whereupon the tenderer becomes the party named as the contractor in the conditions of contract identified in the contract data.

Notwithstanding the provision of a performance guarantee in terms of Clause 6.2.1, interim payments to the Contractor shall be subject to a retention by the Employer of an amount of **10% for Contract Sum value exceeding R200 000 but less than or equal to R1 000 000 or 5% for Contract Sum exceeding R1 000 000 (provided that for Works Projects less than or equal to R200 000 retention is waived)** of the said amounts due to the Contractor, with no limit per Works Project. A guarantee in lieu of retention is not permitted.
- Clause 8.6.1.3 **Public Liability**  
Public Liability Insurance –Value = R20 million for any single claim (unlimited)

# C1.2 Contract Data (Continued...)

## Works Project Allocation

- The procedures for the allocation of Works Projects is explained in Part C1.2, Contract Data, Page 59 and 60 of the tender document.

### Notes:

- Sub-contractors will be reviewed on the City's database, and are to be in Good Standing with a bargaining council
- The Commencement Date will be the date stipulated in the Works Project Document. No project to commence without receipt of Purchase Order
- Continuous refusal of work could lead to further action from the Employer
- If contractor is non-responsive, works offered to contractor on the alternative panel

## C1.2 Contract Data (Continued...)

### SPECIAL MATERIALS SCHEDULE

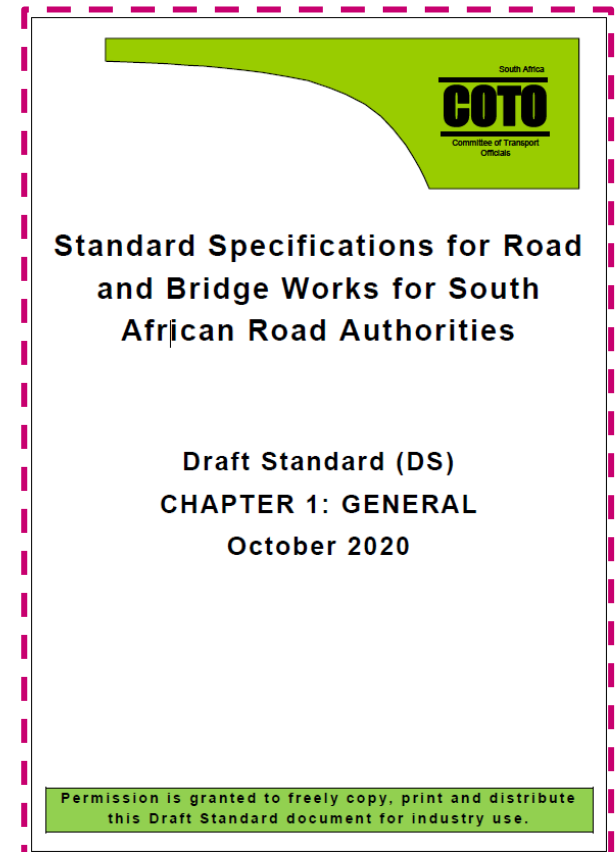

Each material dealt with as a special material in terms of Clause 4.1 of the Contract Price Adjustment Schedule of the General Conditions of Contract is stated in the list below. The provisions of Clause 6.8.3 of the General Conditions of Contract shall apply to such special materials. The base prices for the special materials (current at the time of tender) shall be as stated in the schedule below, or where required, shall be furnished by the tenderer/contractor. Only those materials listed by the Employer below shall be considered as special materials.

| Special Material                      | Unit | Base Price (September 2025) |
|---------------------------------------|------|-----------------------------|
| Bitumen (50/70 penetration grade)     | t    | R 15 300.00                 |
| Bitumen (70/100 penetration grade)    | t    | R 15 500.00                 |
| Structural steel sections             | t    | R 14 750.00                 |
| Steel: Hot-Rolled Coil                | t    | R 14 350.00                 |
| Steel reinforcing bars (Y-High yield) | t    | R 10 526.32                 |
| Steel reinforcing bars (R-Mild)       | t    | R 10 526.32                 |
| Steel reinforcing bars (Mesh)         | t    | R 10 526.32                 |
| Chromadek (Z275)                      | t    | R 18 032.00                 |

## C2.1 Pricing Assumptions

- COTO Specification and format
  - The COTO Standard Specifications for Road and Bridge Works for South African Road Authorities (2020 edition) prepared by the Committee of Transport Officials .
- Amendments and supplementary specifications to the COTO standards are provided in this document.
  - Any amendments or new item to COTO will be indicated as a special which will be indicated with the letter “P” before the item number.

## C2.1 Pricing Assumptions (Continued...)

---

- Tenderers are only to **price on the Schedules of Rates applicable to the CIDB Grading Category**
- Rate to be entered against each item in Schedule of Rates – no grouping
- Zero rate - "R0.00" or "Nil"
- Rates valid regardless of quantities for entire term of tender
  - CPA and Rise & Fall will be applicable per works project
- No unauthorised amendments to Schedule of Rates
- Tenderer may be rejected if rates submitted considered by Employer as unreasonable. (Part of Risk Analysis )
- Evaluation in terms of clause C.3.11 of Tender Data
- Provisional Sums and Prime Cost values will be determined at works project stage if required, in line with SCM Policy
  - i.e. 3x quotations required

## C3.1 Description of the Works

---

The Employer's objective is to respond to emergencies related to cut and fill slopes as well as related civil (ancillary) works and services, predominantly (but not limited to) within a road reserve where the emergency has affected the Employer's infrastructure or impacted on the normal functioning of roads and services within the City of Cape Town municipal area as and when required.

Typical Works items under this tender shall include :

- Clearing, excavation, loading and removal of materials (e.g. vegetation, trees, rocks/boulders, etc.) for slopes,
- Loading and hauling of materials,
- Fill embankment (re)construction
- Slope erosion protection,
- Minor road repairs,
- Non-structural gabion works,
- Installation of road restraint systems (barriers),
- Slope protection measures.

As the works is generally expected to be within an urban or suburban and developed environment, various ancillary elements may additionally be required. These could include accommodation of traffic; trenching for and provision of services; construction of drains, culverts, kerbing and channelling; pavement and asphalt layers for road rehabilitation or re-construction.

# C3.1 Description of the Works (Continued...)

---

## General

- Compliance in terms of Health and Safety Legislation and requirements
- Compliance in terms of Environmental Legislation and requirements
- Programming and reporting
- Survey of adjacent properties and preventative/mitigation measures
- Provision of safety equipment.
- Testing of materials and workmanship

## Site establishment

- Contractor's site camp
- Supply of labour, tools, equipment, materials and supervision to complete the works

## Accommodation of traffic

- Provision of temporary control measures for pedestrian and non-motorised traffic
- Provision of temporary control measures for vehicular traffic based on class of road
- Liaison with local traffic authorities
- Provision of a traffic safety officer and traffic safety vehicle
- Provision of additional traffic accommodation facilities ordered by the Employer's Agent

## Clearing and removal of slope failure material

- Making safe the slope failure area
- Clearing of material
- Loading of material
- Haul of material to temporary stockpile and / or off-site spoil area(s)

## C3.1 Description of the Works (Continued...)

---

### Slope protection measures

- Barring down of rock surfaces up to 15m height
- Cleaning of rock surfaces by high pressure air and water jetting equipment up to 15m height
- Disposal of barred down and accumulated debris

### Slope erosion protection

- Stormwater lined cut off and channelizing drains
- Stone masonry walls
- Application of anti-erosion protection methods and materials
- Supply and installation of non-structural gabions

### Related ancillary works required for road rehabilitation or re-construction

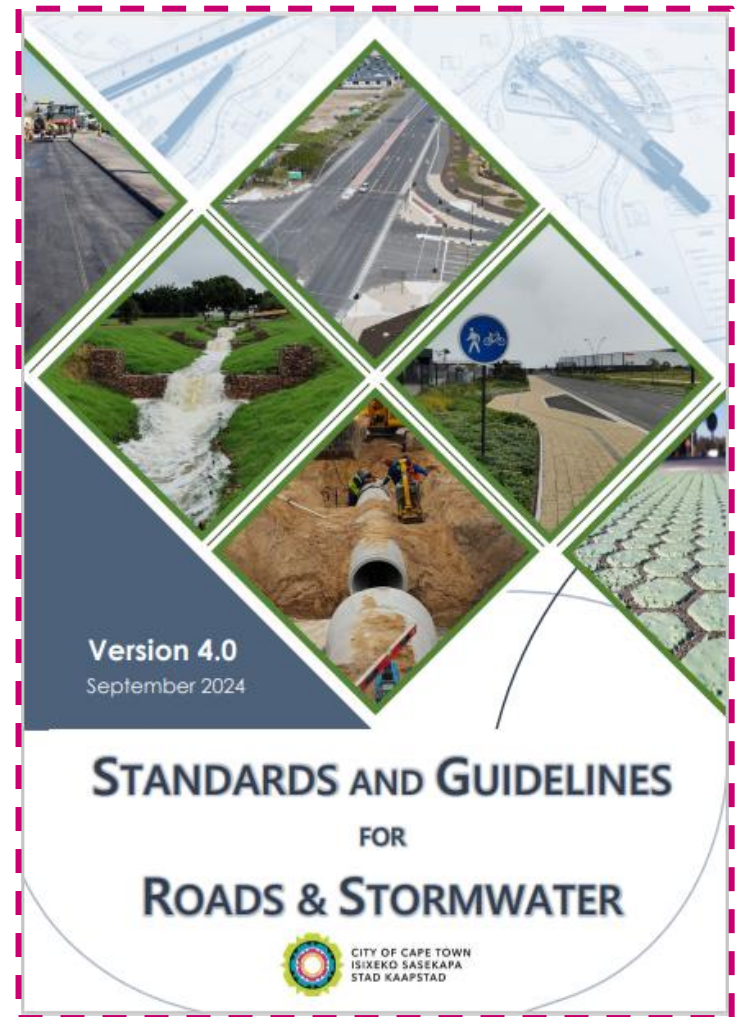

- Location and protection of existing services
- Removal and reinstatement of existing surface and subsurface drainage systems
- Removal and reinstatement of existing edge constraints
- Removal and reinstatement of existing roadbed and earthworks including finishing off slopes
- Removal and reinstatement of existing pavement layer (granular and crushed stone either stabilized or not)
- Removal and reinstatement of existing surfacing
- Minor landscaping
- Provision of temporary road marking and road signage

## C3.2 Engineering

### 3.2.1 Drawings:

The drawings referenced with this tender document can be found in the City's Standards and Guidelines for Roads and Stormwater.

Standards can be downloaded from the City's website. Link provided on Page 398 of the tender document

## C3.4 Construction – Project Specification

| Item                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Description                                                                                   | Unit     |

- 24: APPEAL APPLICATION (ANNEXURE B)
- 25: INFORMATION TO BE PROVIDED WITH THE TENDER
- 25.1: DECLARATION OF TENDERED RATES SUBMITTED WITH THE TENDER

## C5.2 Returnable Schedules – Schedule 2: Certificate of independent tender determination

---

6. The tenderer has arrived at this tender independently from, and without consultation, communication, agreement or arrangement with any competitor. However, **communication between partners in a joint venture or consortium will not be construed as collusive tendering;**
7. In particular, without limiting the generality of paragraph 6 above, there has been **no consultation, communication, agreement or arrangement with any competitor** regarding:
  - (a) prices;
  - (b) geographical area where product or service will be rendered (market allocation);
  - (c) methods, factors or formulas used to calculate prices;
  - (d) the intention or decision to submit or not to submit a tender;
  - (e) the submission of a tender which does not meet the specifications and conditions of the tender; or
  - (f) tendering with the intention not to win the tender;

## C5.2 Returnable Schedules – Schedule 4 (MBD 8) & Schedule 5(MBD 4):

Where the entity tendering is a joint venture, **each party** to the joint venture must sign a declaration attach it to the schedule.

### SCHEDULE 4: DECLARATION OF TENDERER'S PAST SUPPLY CHAIN MANAGEMENT PRACTICES (MBD 8)

Where the entity tendering is a joint venture, each party to the joint venture must sign a declaration in terms of the Municipal Finance Management Act, 56 of 2003, and attach it to this schedule.

- 1 The tender offer of any tenderer may be rejected if that tenderer or any of its directors/members have:
  - a) abused the municipality's / municipal entity's supply chain management system or committed any improper conduct in relation to such system;
  - b) been convicted for fraud or corruption during the past five years;
  - c) willfully neglected, reneged on or failed to comply with any government sector contract during the past five years; or
  - d) been listed in the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act (No 12 of 2004).
- 2 In order to give effect to the above, the following questionnaire must be completed with the bid.

| Item  | Question                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| 1.1   | Is the Tenderer or any of its directors listed on the National Treasury's Data Restricted Suppliers as a company or person prohibited from doing business in the public sector?<br><br>(Companies or persons who are listed on this Database were informed in writing of the restriction by the Accounting Officer/Authority of the institution that imposed the restriction after the <i>audi alteram partem</i> rule was applied).<br><br>The Database of Restricted Suppliers now resides on the National Treasury's website ( <a href="http://www.treasury.gov.za">www.treasury.gov.za</a> ) and can be accessed by clicking on its link at the bottom of the home page. |
| 1.1.1 | If so, furnish particulars:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 1.2   | Is the Tenderer or any of its directors listed on the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act, 2004?<br><br>The Register for Tender Defaulters can be accessed on the National Treasury's website ( <a href="http://www.treasury.gov.za">www.treasury.gov.za</a> ) by clicking on its link at the bottom of the home page.                                                                                                                                                                                                                                                                           |
| 1.2.1 | If so, furnish particulars:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

### SCHEDULE 5: DECLARATION OF INTEREST – STATE EMPLOYEES (MBD 4 amended)

1. No bid will be accepted from:
  - 1.1 persons in the service of the state<sup>1</sup>, or
  - 1.2 if the person is not a natural person, of which any director, manager or principal shareholder or stakeholder is in the service of the state, or
  - 1.3 from persons, or entities of which any director, manager or principal shareholder or stakeholder, has been in the service of the City of Cape Town during the previous twelve (12) months, or
  - 1.4 from an entity who has employed a former City employee who was at a level of T14 or higher at the time of leaving the City's employ and involved in any of the City's bid committees for the bid submitted, if:
    - 1.4.1 the City employee left the City's employment voluntarily, during the previous twelve (12) months;
    - 1.5 a person who was a City employee, or an entity that employs a City employee, if
      - 1.5.1 the City employee left the City's employment whilst under investigation for alleged misconduct, or
      - 1.5.2 was facing disciplinary action or potential disciplinary action by the City, or
      - 1.5.3 was involved in a dispute against the City during the previous thirty six (36) months.
2. Any person, having a kinship with persons in the service of the state, including a blood relationship, may make an offer or offers in terms of this invitation to bid. In view of possible allegations of favouritism, should the resulting bid, or part thereof, be awarded to persons connected with or related to persons in service of the state, it is required that the tenderer or their authorised representative declare their position in relation to the evaluating/adjudicating authority.
- 3 In order to give effect to the above, the following questionnaire must be completed and submitted with the bid.
  - 3.1 Full Name of tenderer or his or her representative:.....
  - 3.2 Identity Number: .....
  - 3.3 Position occupied in the Company (director, trustee, shareholder<sup>2</sup>):.....

## C5.2 Returnable Schedules – Schedule 20: Works Project Categories of Preference

---

### The Tenderer shall:

- a. complete this Works Project Categories of Preference schedule to indicate the Works Project category and/or categories they will be tendering for by means of inserting "Yes" if tendering on such category or "No" if not tendering for such category. The tenderer shall complete the respective Schedule of Rates for each Works Project category, in line with Clause C1.6.1 of the Tender Data; and
- b. be registered with an active status with the CIDB, in a contractor grading designation equal to or higher than a contractor grading designation as stated below (See Clause C.2.1.4.1 of the Tender Data)

| Works Project category                                                            | Yes / No |
|-----------------------------------------------------------------------------------|----------|
| Works Project category A: Value Above R500 000 up to R1 000 000 (2CE or higher)   |          |
| Works Project category B: Value Above R1 000 000 up to R3 000 000 (3CE or higher) |          |

## C5.2 Returnable Schedules – Schedule 22: Record of Addenda to tender documents

---

- Record all Notice to tenderers and attach to Schedule 22

|     | Date       | Title or Details      |
|-----|------------|-----------------------|
| 1.  | dd/mm/yyyy | Notice to tenderers 1 |
| 2.  |            |                       |
| 3.  |            |                       |
| 4.  |            |                       |
| 5.  |            |                       |
| 6.  |            |                       |
| 7.  |            |                       |
| 8.  |            |                       |
| 9.  |            |                       |
| 10. |            |                       |

Attach additional pages if more space is required.

## C5.2 Returnable Schedules – Schedule 23: Preference Schedule

- The value of this bid is estimated to not exceed R50 000 000 (all applicable taxes included) and therefore the **80/20** preference point system shall be applicable

|                                           | POINTS |
|-------------------------------------------|--------|
| PRICE                                     | 80     |
| SPECIFIC GOALS                            | 20     |
| Total points for Price and SPECIFIC GOALS | 100    |

| The specific goals allocated points in terms of this tender | Number of points allocated (80/20 system)<br>(To be completed by the organ of state) | Number of points claimed (80/20 system)<br>(To be completed by the tenderer) |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------|------------------------------------------------------------------------------|
| Gender                                                      | 5                                                                                    |                                                                              |
| Race                                                        | 5                                                                                    |                                                                              |
| Disability                                                  | 3                                                                                    |                                                                              |
| Promotion of Micro and Small Enterprises                    | 7                                                                                    |                                                                              |

**Note to tenderers:** Refer to **Table B1 on Page 16** of the tender document for evidence required with submission for points claimed.

## C5.2 Returnable Schedules – Schedule 25.1: Declaration of Tendered Rates Submitted

---

- Tenderers are required to **submit** one (1) **electronic/excel copy** (on a USB Flash drive), **and** one (1) **hardcopy (printed) of the Schedule of Rates**, and that both copies submitted are to be in the same format as those issued by the Employer.
- Both the hardcopy and electronic copy of rates submitted with this tender are a **replica of each other, and no alterations have been made to the format and contents.**
- if/when a Notice to Tenderer (NTT) is issued by the Employer for changes relevant to the Schedule of Rates, will be required to attach the respective addenda separately to that which has been issued with the original document.
- Link to Excel version of Schedule of Rates provided on T1.1 Tender Notice of the document, and issued with NTT1

# Summary

---
