

SECTION 2.1 SPECIFICATIONS**THE APPOINTMENT OF A PANEL OF SERVICE PROVIDERS FOR THE HIRING OF EARTH MOVING EQUIPMENT / CONSTRUCTION VEHICLES FOR A PERIOD OF THREE (3) YEARS****2.1.1 Employer's objectives**

The Employer's objectives are to provide an acceptable and consistent level of service by maintaining all its assets for the benefit of the public.

1.1 Work specifications

The extent of the works includes the hiring of construction vehicles with operators.

The Municipality intends to establish a framework agreement with the service providers to ensure seamless uninterrupted service delivery. Under this framework agreement, the municipality envisions to rely on the professional services of ethical service providers who shall, from time to time, be requested to provide a secondary layer of support to the municipal resources. It is within that scope that service providers shall be requested to hire construction vehicles and/or earth moving equipment, and any other services as maybe required to ensure service delivery is not hindered.

This description of the works is not necessarily complete and shall not limit the work to be carried out by the contractor under this contract. The Employer will identify works required. It will be up to the Contractor to prove or justify any work other than that identified needs to be done in his opinion. Such additional work must be approved before commencement.

1.2 List of possible Vehicles/Equipment, but not limited to:

Dozer	Pneumatic Roller
Grader	Tipper Truck
Digger Loader	Water Truck
Front-End Loader	Small plant equipment
Roller Compactor	

1.3 Rates under the pricing schedule

Where in the opinion of the municipality that the pricing submitted is not market related, will the service provider's rates be subject to benchmarking.

1.4 Utilisation

The service providers shall be afforded an opportunity to respond to an RFQ on an ad hoc basis.

SPECIAL CONDITIONS OF CONTRACT

1.5.1 Contract period: **Three (3) years from date of appointment**

1.5.2 Only bidders who have a workshop within 200km radius from Hessequa Municipality's offices in Van der Berg Street, Riversdale will be eligible to tender.

Address where workshop is situated:	
Telephone Number:	
E-mail address:	

1.5.4 A panel of service providers will be appointed for this section, depending on responsiveness.

1.5.5 If the successful service providers cannot or does not provide the service within the delivery period as indicated, the bidder must inform the Municipality in writing of delays in delivery.

1.5.6 Should the bidder fail to inform the Municipality and the service is not delivered within the delivery period, the order will be cancelled, and the Municipality will automatically source the items from the second ranking bidder.

1.5.7 Procedures in event of non-or poor performance will be dealt with according to the Hessequa Municipality's Supply Chain Management Policy.

Failure to adhere to the beforementioned may result in your tender being declared non-responsive for this particular section.
