1. Background to the National Museum

The National Museum - a natural history, cultural history and art museum was established in 1877 and is a declared cultural institution, which resorts under the Department of Arts and Culture and is governed by a council. The mission of the National Museum is to provide heritage resources and an enjoyable experience to all people through quality research, conservation, education and exhibitions. More information about the organisation can be found at www.nasmus.co.za

2. Purpose and Background

Background

The Florisbad perimeter fence is constructed of brickwork, purposely made palisade fence and barbed wire, where the property is easily accessible the fence is constructed of palisade fence busing raw bolted to brickwork columns.

On the 7th March 2023 during a thunderstorm two (02) trees were stricken by lightning, whereby one of the trees was near the perimeter fence. The tree fell on top of the palisade fence breaking the column constructed of brickwork. This has resulted in the security of the property being exposed, currently there is no security systems in place and the site manager is not at the property on Wednesdays and on the weekends.

Florisbad houses museum properties which includes collections, vehicles and trailers. The road is used by both pedestrians and vehicles passing the property and people visiting the rehab centre next to the research station. The damage was reported by the HOD and Site Manager to SCM.

The Scope of Work:

- Replace purposely made damaged palisade fence slats 2400mm high made of 30 x 30 x 3mm angle section pickets with top end split and sharpened, welded to top and bottom rails including painting on both sides. Four times bolted on, each side to brickwork.
- Construct a brick column in faced English bond including a concrete capping at the top, including one layer in Header course, brick force/ iron hoops included in the brickwork.

All works should comply with emergency works and completed within **24Hours**.
