**RENOVATION AND INSTALLATION PANEL OF SERVICES PROVIDERS FOR A PERIOD**  
**OF THREE YEARS.**

**DATE: 17/12/2025**

No.	CLARIFICATIONS QUESTIONS	RESPONSE
1.	I would just like to clarity whether the SAHPRA certificate is a mandatory	SAHPRA registration certificate is applicable and mandatory only on <b>Medical Gas (DIDMR02/11/2025)</b> and <b>Autoclaves (DIDMR01/11/2025)</b> , all other services from DIDMR03/11/2025 to DIDMR016/11/2025 does not require SAHPRA compliance. Therefore, no bid will be disqualified for not submitting SAHPRA certificate for tender DIDMR03/11/2025 to DIDMR16/11/2025.
2.	Kindly confirm whether the required returnables should be attached directly under each corresponding page in the tender document	It is preferable to attach directly under each corresponding page for easy reference and evaluation purposes. However, any clear sorting and clear referencing with the table of content preferred by bidder is acceptable
3.	Could you please assist by providing the pricing data including instructions and the Bill of Quantities.	The department is establishing the panel which will operate with the agreed approved GDID rates. All bidders that complied with all evaluation criteria will

		be required to sign GDID approved operating rates. Therefore, bidders are not required to complete any bill of quantities (BOQ)
4.	On page 7 of the document it says that reference letter or completion letters must be stamped. Kindly advice if the stamp must be original or I may request the client to email such a stamped letter is emailed stamped letter acceptable.	Any is acceptable, it can be original or copy received via email.
5.	Can I use the Civil Engineer ECSA professional for Electrical works	Bidders are advised to carefully go through all tender requirements and submit relevant documents as specified in each tender document.
6.	I would like to make an inquiry regarding the CIDB grade eligible for tenders DIDMR01/11/2025 up to DIDMR16/11/2025. The tender documents specifically state that only grades 3-5 SMME may I participate	Only contractors with CIDB grade 3 to 5 will be considered for evaluation, any bid with CIDB grade below 3 or above 5 will be disqualified.
7.	Can you please assist with clarity regarding ME grading stated on the bid document. Would like to know whether the bidders with higher grading 7ME can also bid for this projects.	Only contractors with CIDB grade 3 to 5 will be considered for evaluation, any bid with CIDB grade below 3 or above 5 will be disqualified.
8.	On the CIDB grading and size can companies with a higher grading be restricted to submit their bids? As tender says only 3-5F	Only contractors with CIDB grade 3 to 5 will be considered for evaluation, any bid with CIDB grade below 3 or above 5 will be disqualified.
9.	Please clarify on the request of the submission of 18 months annual financial statement. on page 16, these are not listed as mandatory requirements nor included under list of returnables	Part of the objective of the department is to promote EME's and QSE's in line with national priorities to promote inclusive economic participation, this tender seeks to support the growth and development of small, medium, and
