### Section 3: SD&L Undertaking

Tenderers who complete and submit the undertaking as required, but who do not meet Eskom's targets, will not be disqualified. SD&L undertakings do not form part of scoring but commitments will form part of contractual obligations

#### a) Job Opportunities

Tenderers are required to submit proposals for the type and number of jobs that will be created and retained as a direct result of being awarded a contract.

Tenderers are encouraged to source resources from surrounding local communities.

Number of Jobs to be created	Number of Jobs to be retained

Tenderer to also provide breakdown of jobs to be created and/or retained in this table:

Category	Jobs to be created
Management	
Expert Skills	
Skilled workers	
Semi-skilled	
Unskilled	
<b>Total</b>	

#### b) Skills development

The purpose of Skills Development is to achieve economic growth and social development that will enrich the creation of decent work and sustainable livelihoods for all South Africans.

The suppliers are required to take full responsibility for the total cost of developing the requisite skills, and Eskom shall not make any financial contribution towards the fulfilment of this obligation.

For this transaction, tenderers are requested to propose skills development opportunities in order to provide structured workplace learning towards part, or full occupational qualification.
