THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade, Industry and Competition (DTIC) is charged with the responsibility of administering the programme.

1. PILLARS OF THE PROGRAMME

- 1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US \$10 million will have a NIP obligation. This threshold of US \$10 million can be reached as follows:
- (i) Any single contract with imported content exceeding US \$10 million;
or
 - (ii) Multiple contracts for the same goods, works or services each with imported content exceeding US \$3 million awarded to one seller over a 2-year period which in total exceeds US \$10 million;
or
 - (iii) A contract with a renewable clause, where should the option be exercised the total value of the imported content will exceed US \$10 million.
or
 - (iv) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US \$3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US \$10 million.

Contractor to initial.....

Page 31 of 66

1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30% of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a *pro-rata* basis.

1.3 To satisfy the NIP obligation, the DTIC would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R & D) with partners or suppliers.

1.4 A period of seven years has been identified as the time frame in which to discharge the obligation.

2. **REQUIREMENTS OF THE DEPARTMENT OF TRADE, INDUSTRY AND COMPETITION**

2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million Rands), submit details of such a contract to the DTIC for reporting purposes.

2.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million Rands) is to cater for multiple contracts of the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 1.1. (b) to 1.1. (d) above.

2.3 For bids above R10 million, accounting officer's authorities are required to obtain clearance from the Department of Trade, Industry and Competition regarding the National Industrial participation Programme prior to the award of any bid in excess of R10 million (ten million rands).

3. **BID SUBMISSION AND CONTRACT REPORTING REQUIREMENTS OF BIDDERS AND SUCCESSFUL BIDDERS (CONTRACTORS)**

3.1 Bidders are required to sign and submit this Standard Bidding Document (SBD5) together with the bid on the closing date and time.

3.2 In order to accommodate multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contracts as indicated in sub-paragraphs 1.1 (b) to 1.1 (d) above and to enable the DTIC in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of

Contractor to initial.....

Page 32 of 66

R10 million (ten million Rands), to contact and furnish the DTIC with the following information:

- Description of the goods, works or services.
- Date on which the contract was accepted.
- Name, address and contact details of the government institution.
- Value of the contract.
- Imported content.

3.3 The information required in paragraph 3.2 above must be sent to the Department of Trade, Industry and Competition, Private Bag X 84, Pretoria, 0001 for the attention of Mr Elias Malapane within five (5) working days after award of the contract. Mr Malapane may be contacted on telephone (012) 394 1401. Facsimile (012)

394 2401 or e-mail at Elias@thedtic.gov.za for further details about the programme.

4. **PROCESS TO SATISFY THE NIP OBLIGATION**

4.1 Once the successful bidder (contractor) has made contact with and furnished the DTIC with the information required, the following steps will be followed:

- (a) The contractor and the DTIC will determine the NIP obligation;
- (b) The contractor and the DTIC will sign the NIP obligation agreement;
- (c) The contractor will submit a performance guarantee to the DTIC;
- (d) The contractor will submit a business concept for consideration and approval by the DTIC;
- (e) Upon approval of the business concept by the DTIC, the contractor will submit detailed business plans outlining the business concepts;
- (f) The contractor will implement the business plans; and
- (g) The contractor will submit bi-annual progress reports on approved plans to the DTIC.

4.2 The NIP obligation agreement is between the DTIC and the successful bidder (contractor) and,

therefore, does not involve the purchasing institution.

CHECKLIST FOR EQUIPMENT BIDS

The presence of incomplete and/or unsigned and/or absent documents from bid offers have become an unfortunate tendency since the inception of new bid forms in January 2004.

It has become increasingly noticeable that bidders are unaware of the importance of the various bid documents. The finalisations of bids are significantly delayed by the Department's resultant efforts to obtain the information/signatures/absent documents.

The purpose of this checklist is to:

- highlight all critical documents that constitute a complete bid and provide some general instructions for their completion,
- provide bidders with a final opportunity to ensure that all these critical documents are PROPERLY COMPLETED and INCLUDED in their final offer, and
- enable this office to verify that bidders have attempted to ensure that all required documents in their offer have been completed/signed/included.

Please read this checklist in conjunction with the content of the relevant form in each case.

Note: Bidders should mark the relevant boxes under the heading "Bidders" with X, please.

The Boxes under "Health" will be used to verify replies at this office.

Bidders must complete this checklist and include it in their bid documents, please.
