## Evaluation Criteria

- The evaluation process to be used is according to the Preferential Procurement Regulations, 2022 and The Presidency SCM Policy where three phase evaluation will be followed to evaluate the quotations received.
- **Phase 1: Adherence to the specifications / Functionality:** Evaluation in terms of all items required as per specification is quoted by the bidder.
  - **Only bidders who quoted all items required as per specification will be considered for phase 2.**
  - Bidders are required to indicate in their quotation full details of the goods and/or service on specification/functionality as per invitation even in the event where the brand is provided. Use the information on the table above. Failure to do that may result in the bidder being disqualified.
- **Phase 2: Disqualification in Administration Requirements**
  - **Only bidders who submitted quotes according to the below will be considered**

**for phase 3:**

- Quotes must be submitted on or before the stipulated closing dates.
- Supplier must be registered on Central Supplier Database (CSD).
- Bid/quotations submitted **after** closing date will not be considered.

- Phase 3: **Evaluation of price and Specific goals will be in terms of 80/20 preference point systems.**

DESCRIPTION	POINTS
PRICE	80
SPECIFIC GOALS	20
TOTAL PONTs FOR PRICE AND SPECIFIC GOALS	100

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

*(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such).*

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system) (To be completed by the organ of State)	Number of points allocated (80/20 system) (To be completed by the organ of state)	Means of verification
