

Specification:
Supply Of Plumbing Material Contract in SGR

1. Scope of Work.

- Prasa-Cres Facilities Management is looking to appoint 3 x service providers that will form a panel of contractors to supply and delivery plumbing materials.
- The scope of works entails the supply and delivery of General Electrical Material on the as and when required basis as per specified items in the Bill of Quantities. The location where the material is to be delivered is New Canada Prasa-Cres Facilities Depots.
- The contract duration will be for a period of 36months

2. General

- Only quality and SABS approved material must be quoted for, material of inferior quality will not be accepted, and the replacement of such material will be to the contractors' cost.
- All material requests will be in the form of a Purchase Order from PRAS-CRES Supply Chain Management department to the contractor. The contractor is expected to deliver the material within 2-days from the time of receiving a Purchase Order.
- Material request and the delivery of such material will only be during normal working hours i.e., from Monday to Friday (07h30 to16h00).
- The contractor will ensure that material delivered is the material requested and false deliveries will be corrected at the contractor own cost.

3. Terms of Payment

- The terms of payment will be monthly and upon receiving the invoice, PRASA-CRES shall pay the contractor within 30 days. This is subject to the invoicing being both correct and free from anomalies.
- Invoices shall show the clear description of the material requested and contract rates. A copy of the signed delivery notice will be attached and invoice as a supporting document.
- If invoices are presented which do not fully comply with the format as detailed, they will be rejected, and PRASA-CRES will accept no liability and/or responsibility for the late payment of the invoices which have been incorrectly addressed by the Contractor.
