Subject: FW: ANNEXURE 2 CLARIFICATION FORM .

Good day,

Question:

Please kindly specify what detailed design is required

Answer:

There is a professional team already appointed for the project. The detailed design elements is highlighted with the methodology this is just for the bidders to clear integrate the shop drawing design in terms of the methodology not necessarily the project design. In addition the bidder may indicate how the detailed design provided will be processed by the team as part of the methodology to carry out construction.
