

## RFP162/2023:

THE SUPPLY, CUT, BEND, GALVANIZING AND DELIVERY OF STEEL BARS(REINFORCEMENT) FOR CONCRETE FOR A PERIOD OF UP TO 15 MONTHS TO DWS CONSTRUCTION NORTH TZANEEN DAM RAISING PROJECT IN THE LIMPOPO PROVINCE.

| Item               | Description                                                                                                                               | Unit | Quantity   | Rate | Total        |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------|------|------------|------|--------------|
| 1                  | <b>Mild steel</b>                                                                                                                         |      |            |      |              |
| 1.1                | Supply, cut, bend and delivery of 8 mm, 10 mm, 12 mm, 16 mm and 20 mm of Mild steel bars, of strength 250 Mpa                             | ton  | 70         |      | R0.00        |
| 2                  | <b>High tensile steel</b>                                                                                                                 |      |            |      |              |
| 2.1                | Supply, cut, bend and delivery of 8 mm, 10 mm, 12 mm, 16 mm 20 mm, 25 mm and 32 mm of High yield deformed steel bars, of strength 450 MPa | ton  | 1500       |      | R0.00        |
| 3                  | <b>Galvanized Steel</b>                                                                                                                   |      |            |      |              |
| 3.1                | Supply, cut, bend, hot – dip galvanizing and delivery of 20 mm, 25 mm and 32 mm of High yield deformed steel bars, of strength 450 Mpa    | ton  | 120        |      | R0.00        |
| 4                  | <b>Binding wires, Cover/spacer blocks</b>                                                                                                 |      |            |      |              |
| 4.1                | Binding wire - 1.6mm/50 kg                                                                                                                | kg   | 1,800      |      | R0.00        |
| 4.2                | Plastic Spacer Blocks - 50 mm                                                                                                             | No.  | 10000      |      | R0.00        |
| 4.3                | Grit hand cleaner for reinforcement /1 kg container                                                                                       | No.  | 200        |      | R0.00        |
