

Dear Supplier

CALLING ALL EXISTING ESKOM SUPPLIERS TO REGISTER ON THE CENTRAL SUPPLIER DATABASE

You are currently registered as an Eskom vendor. The objective of this communication is to invite you to register on the newly implemented Central Supplier Database (CSD). The CSD is a single source of all supplier information for all spheres of government. The purpose of centralising government's supplier database is to reduce duplication of effort and cost for both supplier and government while enabling electronic procurement processes.

Prospective suppliers are now able to self-register on the CSD website www.csd.gov.za. The CSD interfaces to South African Revenue Service (SARS) to enable tax clearance certificate verification and the Companies and Intellectual Property Commission (CIPC) for verification of business registration and business ownership information. The CSD furthermore verifies supplier information with the register for tender defaulters and database of restricted suppliers, and verifies South African identification numbers with the Department of Home Affairs (DHA).

Effective from 01 July 2016, all spheres of government will only be allowed to do business with suppliers that are registered on the CSD.

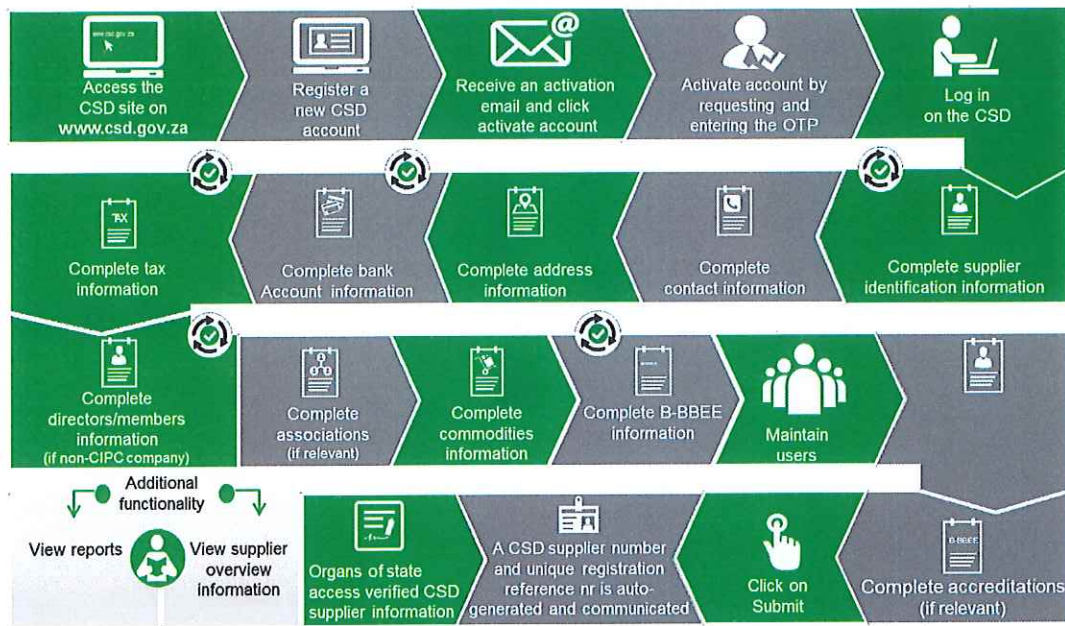

What will be required for suppliers to register?

All suppliers will be required to complete required information on the CSD website and must ensure it is complete, accurate and comprehensive. The following would be amongst the required information:

- Supplier information i.e. supplier type, identification number, supplier name, trading name and country of origin;
- Supplier contact i.e. preferred contact person, preferred communication method, email address, cell phone number, telephone number, etc.;
- Supplier address i.e. country, province, municipality, city, suburb, ward and postal code;
- Bank account information;
- Supplier tax information;
- Ownership information, i.e. name and identification number of directors, members etc.;
- Association to any other suppliers i.e. branch, consortium member etc.;
- Commodities the supplier can supply;
- Notification preference;
- B-BBEE information and;
- Accreditation (if relevant).

A valid email address, identity number, cell phone number and bank account details are mandatory in order to register on the CSD.

The CSD self-registration process is depicted in the diagram below.

Auto verification of supplier information with SARS, CIPC etc.

For those of you who have already registered on CSD, you are urged to provide your approved CSD Supplier number and your current Eskom vendor number to csdapplication@eskom.co.za by no later than the 15th August 2016.

In the event that you encounter challenges in completing your registration on the CSD website, please notify Eskom and Eskom Rotek Industries Supplier Management staff members in the table below, who will either assist or direct you to the relevant authorities.
