

## **TERMS OF REFERENCE**

### **1. Background**

Umngeni-Uthukela Water requires a service provider to reinforce and leak seal the raw water abstraction chamber at Mkondeni.

### **2. Deliverables/Key Outcomes.**

#### **3.1. The work shall cover the following:**

- Supply and delivery of complete concrete sealing materials (preferably SIKA product)
- Supply, delivery and installation of concrete ring
- Diversion of river flow
- Sealing of existing chamber

### **3. Contract term**

We anticipate that the contractor will commence after the signing of the contract.

### **4. Other information**

- a) We require the goods / services to be delivered at 7 Portland Road, Mkondeni, Pietermaritzburg, 3201.
- b) Payment will be on 30 days on invoice.

### **5. Mandatory documentation/requirements**

- a) Bidder completed all RFQ Forms
- b) Bidder registered on National Treasury CSD
- c) SBD 4 – Bidders disclosure

### **6. Pricing**

- a) The bidder shall provide the price proposal as detailed in SBD 3.1
- b) The bidders's price must be fully inclusive, and each item must be clearly specified.
- c) All additional costs must be clearly specified and included in the total quotation price, (e.g. transport, labour, etc.).
- d) All prices must be VAT inclusive.
- e) The bidder is responsible for all the cost that they shall incur related to the preparation and submission of the quotation.
