## **PRELIMINARIES**

**TENDER NO**  
**TSHEPONG HOSPITAL : Repairs and Renovation**

Item	Description		
<b>A</b>	<b><u>PREAMBLES TO BILLS OF QUANTITIES</u></b>		
A1	These Bills of Quantities contain pages numbered consecutively.		
A2	Before the Tenderer submits his tender he should check the number of pages, and if any are found missing or the number of pages, and if any are found missing or duplicated, or the figures or writing indistinct, he should apply to the Engineer at once and have same rectified as no liability whatsoever will be admitted by the Engineer in respect of errors in tender due to the foregoing.		
A3	The Bills of Quantities form part of and must be read in conjunction with the Specification, which document contains the full description of the work to be done and material and equipment to be used and unless otherwise described in the Bills of Quantities, reference should be made to the Specification for the full meaning of descriptions of work to be done and materials and equipment to be used in this service.		
A4	All item rates and extensions must be priced in detail before submission of Tenders.		
A5	The total tender price in the bill shall constitute the contract price of the successful Tenderer.		
A6	Tenderers are advised to check their item extensions and total additions, as no claim for arithmetical errors will be considered.		
A7	No alteration, erasure or addition is to be made in the text of the Bills of Quantities. Should any alteration, erasure or addition be made, it will not be recognised but the original wording of the Bills of Quantities will be adhered to.		
A8	The priced Bills of Quantities of the successful Tenderer will be checked and the Engineer reserves the right to call for adjustments to any individual price and to rectify any discrepancy whilst the Total Tender Price, as submitted, remains unaltered.		
A9	The responsibility for the accuracy of the quantities written into the Bills remains with the person who prepared the Bills. The Tenderer shall be relieved of responsibility of measuring quantities at the tender stage, and the tender sum submitted shall be in respect of the quantities set out in the Bills, although he will be required to make his assessment of items such as brackets, fixings, etc., from details stated in the Bills and shall include in the item price for such small installation materials as are required for the complete installation in accordance with the specification.

Item	Description		
<b>A</b>	<b><u>PREAMBLES TO BILLS OF QUANTITIES</u></b>		
A10	The quantities in these Bills of Quantities are <u>provisional and are not to be used for ordering materials.</u>		
A11	Variations in the scope and extent of the work included in the Bills shall be allowed to meet the Employer's requirements and shall be measured and costed at rates entered in the Bills, where appropriate, and shall form an addition to or deduction from the total of the Bills. Any items or variation for which rates have not been included in the Bills shall be agreed and priced as non-scheduled items in accordance with the provisions of the contract.		
A12	Unless a separate rate for the supply and for the installation of any items is specifically called or, the supply and installation costs of any item shall be fully included in the unit price.		
A13	The description of each item shall, unless otherwise stated herein, be held to include making, conveying and delivery, unloading storing, unpacking, hoisting, setting, fitting and fixing in position, cutting and waste, patterns, models and templates, plant, temporary works, return of packings, establishment charges, profit and all other obligations arising out of the Conditions of Contract.		
A14	All measurements are nett, unless otherwise stated, and Tenderers must allow in the rate for wastage.		
A15	Hangers, supports, splices, joining drilling etc shall form part of unit rate.		
A16	All materials or equipment specified under a trade name, catalogue or reference number shall, for competitive pricing, be exactly as described in this tender.		
A17	Where references are indicated in the Bills it is only for ease of reference and not exhaustive.
