## Section 5: SD&L Undertaking

Eskom reserves the right to negotiate with the tenderer on Eskom's requirements. The outcome of the negotiations will be a contractual obligation. If negotiations are not required, the tenderer's SDL&I undertaking will become a contractual condition.

Skills development in a form of in service training (on the job training) opportunity to be provided for the duration of the contract. This could be one (1) candidate per year or one (1) for the full contract term. A comprehensive skills development program should be provided to Eskom.

Skills development is designed to benefit the currently unemployed graduates from school; further education and training campuses; and universities. Task orders will vary and it is therefore deemed that the supplier will be required to train a minimum of One (1) skill per R2 000 000(accumulated value invoiced) during the term of the contract.

The composition of these candidates must be representative of the population demographics of South Africa. Note that these targets for skills development candidates categorically exclude Eskom employees and registered learners.

<b><u>Skill Type (Occupation)</u></b>	<b><u>Target Number of Persons to be Trained (Local to South Africa)</u></b>
Environmental occupational Minimum of a Diploma	Management/ heath (Graduate)

1. Completion certificate to be issued at the end of the project
2. Compile a training program.
3. Submit a signed contract with the selected candidates.

## Section 6: Market Research

The following information demonstrates market analysis that assisted in arriving at the targets above.

Market analysis was performed on:
