

QUESTIONS and ANSWERS – Batch 4

Tender Ref No	CTIA7582/2024/RFP
Tender Description	Design, Supply, Installation and Commissioning of Inert Gas Fire Suppression Systems and Replacement of Existing Co ₂ Systems at Cape Town International Airport (CTIA) Substations for a Period of 2 Years.

NB: Tenderers to acknowledge this Q&A in their tender submission in the table for RECORD OF ADDENDA TO TENDER DOCUMENTS

QUESTION:

I have struggled to get hold or download the BOQ/ Pricing Schedules.

I managed to download the other documents but on the websites there is no BOQ/Pricing Schedules..

ACSA RESPONSE:

You indicated that you have downloaded the documents.

The Pricing schedule can be found in the contract document (Refer Appendix 2) .

Contract attached here-with for your convenience.

Ensure all tender documents are downloaded, read, completed and submitted together with the required returnables by close of tender date and time.
