The payment of interest as provided for herein shall be the limit of Foskop's liability to the Supplier for such unpaid amount and Supplier shall not be entitled to withhold the performance of the Services

where late payment by Foskop does not exceed 60 (sixty) days from date of receipt of the relevant invoice.

17.6 Other than in respect of a breach of the Agreement on the part of Foskor which has remained unremedied after the Supplier has given Foskor due notice to correct same in accordance with clause 25, the Supplier shall not be relieved of any of its obligations in terms of the Agreement, notwithstanding that Foskor has failed to perform any of its own obligations, unless otherwise provided for in the Agreement.

17.7 The Supplier undertakes to consult with Foskor prior to it making changes to its management responsible for executing its obligations in terms of the Agreement.

18 INTELLECTUAL PROPERTY RIGHTS

18.2 The Supplier shall, upon accepting any Letter of Award or Purchase Order issued to it by Foskor, identify in writing in a schedule, to be attached to its acceptance, any Intellectual Property owned by the Supplier and which is relevant to the performance of the Services. In the absence of such a schedule identifying Supplier's Intellectual Property, it shall be assumed that no Supplier's Intellectual Property will be utilised in the supply of the Services.

18.3 The Supplier retains all rights, title and interest in and to the Supplier's Intellectual Property listed in the said schedule that is used in connection with the performance of its obligations. Insofar as is necessary for the performance of the Services, the Supplier hereby grants Foskor a non-exclusive license to utilise such Supplier's Intellectual Property for the continued operation of its facilities subject to the terms and conditions of this Agreement and warrants that it has good, unencumbered title and ownership to such Intellectual Property and is entitled to transfer and assign to Foskor (and its Affiliates) such licence pursuant to the Agreement. It is recorded that the costs for such licences shall be included in the Price set out in the Agreement.

- 18.6 Foskop shall have all right, title and interest to all Intellectual Property developed or generated specifically for Foskop that may be required to enable the Supplier to perform its obligations in terms of the Agreement.
- 18.7 The Supplier hereby irrevocably assigns, transfers and conveys to Foskop without further consideration all of its rights, title and interest in all Intellectual Property rights and/or other proprietary rights in such materials referred to in clause 18.6, and where such materials have not yet been created, all future copyright therein (with immediate effect from the date that such copyright comes into existence). The Supplier agrees to execute any documents or take any other actions as may reasonably be necessary, or as Foskop may reasonably request in writing, to perfect Foskop's ownership of the Intellectual Property rights in such deliverables.

- 20.2 The Receiving Party acknowledges the great importance of the Confidential Information to the Disclosing Party and, where applicable, third party proprietors of such information, and recognises that the Disclosing Party and/or third party proprietors may suffer irreparable harm or loss in the event of such information being disclosed or used otherwise than in accordance with this Agreement.
- 20.3 The Receiving Party agrees and undertakes -
- 20.3.1 Except as permitted by this Agreement, not to disclose or publish any Confidential Information in any manner, for any reason or purpose whatsoever without the prior written consent of the Disclosing Party and provided that in the event of the Confidential Information being proprietary

to a third party, it shall also be incumbent on the Receiving Party to obtain the consent of such third party;

20.3.2 Except as permitted by this Agreement, not to utilise, employ, exploit or in any other manner whatsoever use the Confidential Information for any purpose whatsoever without the prior written consent of the Disclosing Party and provided that in the event of the Confidential Information being proprietary to a third party, it shall also be incumbent on the Receiving Party to obtain the consent of such third party;

20.3.3 Subject to clause 20.8, to restrict the dissemination of the Confidential Information to only those of its Staff who are actively involved in activities for which use of Confidential Information is authorised and then only on a "need to know" basis and the Receiving Party shall initiate, maintain and monitor internal security procedures reasonably acceptable to the Disclosing Party to prevent unauthorised disclosure by its Staff; and

20.3.4 To take all practical steps, both before and after disclosure, to impress upon its Staff who are given access to Confidential Information the secret and confidential nature thereof.

In no event shall the Receiving Party use less than reasonable efforts to protect the confidentiality of the Confidential Information.

20.6 The Disclosing Party may at any time on written request to the Receiving Party, require that the Receiving Party immediately return to the Disclosing Party or destroy any Confidential Information and may, in addition, require that the Receiving Party furnish a written statement to the effect that upon such return or

destruction, it has not retained in its possession or under its control, either directly or indirectly, any such Confidential Information or material.

20.7 Notwithstanding the aforementioned, the Disclosing Party acknowledges that the Receiving Party may have a professional obligation to retain certain records and failure to do so may prejudice the professional standing of the Receiving Party. As such a copy of any material shall be kept in strictest confidence by the Receiving Party for records purposes only. All other copies shall be dealt with as per the request of the Disclosing Party in accordance with the abovementioned sub-clauses.

20.8 The Receiving Party shall procure that its Staff who have access to Confidential Information, give a written undertaking in favour of the Disclosing Party in regard to the Confidential Information on substantially the same terms and conditions contained within this Agreement in a form prescribed by the Disclosing Party. Foskop shall be entitled to deny a Supplier Staff member access to its premises or prevent such member conducting any work in relation to the Services should Foskop not be in receipt of a signed undertaking from such member on such terms and conditions as determined by Foskop. Foskop's failure to obtain receipt of the undertaking referred to in this clause 20.8 shall in no way detract from the Supplier's obligation in terms of this Agreement.

20.9 The Parties record that this clause 20 shall not be applicable where the Receiving Party discloses Confidential Information to (i) attorneys or auditors, provided that such disclosure is reasonably required by the Receiving Party for the purposes of conducting its business activities; or (ii) any Affiliate of either Party.

20.10 In the event that the Receiving Party is required to disclose the Confidential Information, the Receiving Party:

20.10.2 will take such steps to limit the extent of the disclosure to the extent that it lawfully and reasonably practically can;

20.10.3 will afford the Disclosing Party a reasonable opportunity, if possible, to intervene in the proceedings; and

20.10.4 will comply with the Disclosing Party's requests as to the manner and terms of any such disclosure.

20.11 Nothing contained in the Agreement will restrict either Party from the use of any generic ideas, concepts, know-how, or techniques developed or learned by such Party in the course of performing any Services under the Agreement, provided that in doing so such Party does not disclose Confidential Information to third parties or infringe the Intellectual Property rights of the other Party or third parties who have licensed or provided materials to the other Party.

- 23.1 Notwithstanding any other provision of this Agreement to the contrary, neither Party shall be liable to the other for any indirect or consequential damages, including any loss of profit, anticipated savings or business, or for loss or damage to goodwill or reputation.
- 23.2 Nothing in this clause 23 will be taken as in any way reducing or affecting a general duty to mitigate loss suffered by a Party.

24 INSURANCE

Without in any way limiting the obligations, warranties, liabilities and responsibilities of the Supplier in terms of this Agreement or absolving the Supplier from such obligations,

warranties, liabilities and responsibilities, the Supplier shall procure and maintain (at its cost) for the duration of this Agreement adequate insurance cover, including comprehensive third-party public liability insurance cover, relevant to the obligations to be performed by the Supplier in terms of the Agreement.

25 TERMINATION

25.1 If either Party commits a material breach of the Agreement and/or breaches its professional duty and fails to remedy such breach within 14 (fourteen) days of receipt of a notice from the other Party calling upon it to do so, the notifying Party shall be entitled, in addition to any other rights and remedies that it may have in terms of the Agreement or otherwise, to terminate the Agreement upon written notice to the Party in breach, without prejudice to any claims which such Party may have for damages against the Party in breach. In the case of a material breach by Foskor, the Supplier shall be paid for work already performed (at the behest of Foskor) and signed off by Foskor in accordance with the Agreement up to date of termination. The aforementioned shall be the full damages which the Supplier shall be entitled to by reason of such termination and no other damages shall be claimable whatsoever.

25.2 If (i) a Causal Event occurs in respect of the Supplier or (ii) the Supplier fails to adhere to any legal requirement or (iii) breaches any term or condition of any licence, authorisation or consent held by Foskor and required by Foskor to conduct its business operations and which failure or breach Foskor, in its sole and reasonable discretion, considers to be detrimental to Foskor for sound business reasons; then Foskor shall be entitled, but not obliged, to terminate the Agreement on written notice to the Supplier, in which event such termination shall be without any liability other than for payment in respect of Services already performed in accordance with the Agreement up to date of termination and without prejudice to any claims which Foskor may have for damages against the Supplier. The Supplier shall be entitled, but not obliged, to terminate this Agreement with immediate effect on written notice to Foskor in the event that Foskor is provisionally or finally liquidated or placed under curatorship or business rescue.

26 TERMINATION OR SUSPENSION FOR CONVENIENCE

26.1 Foskor may terminate this Agreement in whole or in part for convenience and without cause at any time by giving the Supplier at least 90 (ninety) days prior written notice designating the termination date. The Supplier will immediately cease the

performance of the Services as at the termination date specified in such notice. Foskop shall have no liability to the Supplier with respect to such termination other than for payment in respect of Services already performed in accordance with the Agreement up to date of termination.

- 26.2 Foskop will be entitled to suspend the performance of the Services upon prior written notice for a period specified by Foskop ("Notice of Suspension").
- 26.3 Upon receipt of such Notice of Suspension, the Supplier will promptly suspend the performance of the Services, to the extent specified by Foskop, and will for the duration of such suspension properly maintain, care for, and protect the materials, supplies, consumables and equipment required to perform the Services. The Supplier will also use its best efforts to utilise its material, labour, consumables and equipment in such a manner as to mitigate costs associated with the suspension of the Agreement.
- 26.4 To the extent that the Notice of Suspension will affect the Price or the date for completion of the Services, the Supplier must furnish Foskop, within five (5) days of receipt of the Notice of Suspension, in writing with the potential increase in cost and any extension of time for completion of the Services and any impact on the Price. If the Supplier does not furnish Foskop with the potential increase in the cost or extension of time for completion within the aforesaid 5 (five) days, or such longer period as the Parties may agree in writing, the Supplier will be deemed to have waived any claim it may have for an increase in cost or extension of time by reason of the suspension of the Services.
- 26.5 If the period of suspension exceeds an uninterrupted period of 90 (ninety) days, either Party will have the right to terminate the Agreement. Foskop shall have no liability to the Supplier with respect to such termination other than for payment in respect of

Services already performed in accordance with the Agreement up to date of termination.

- 26.6 In the event that the notice of suspension is issued due to the Supplier's act, omission or breach of Agreement, the Supplier may not claim any compensation or extension of time by reason of such suspension.

27 FORCE MAJEURE

- 27.1 Neither Party shall be liable to the other for any Losses which are a result of any default or delay in the performance of its obligations under the Agreement if and to the extent such default or delay is caused, directly or indirectly, by any event, cause or circumstance beyond the reasonable control of such Party ("Force Majeure Event"), including forced plant shut downs or stoppages or orders suspending of operations or orders by regulatory authorities or breakdowns, pandemic, fire, flood, earthquake, elements of nature or acts of God, riots, strikes, lockout, civil disorders or other labour related disputes, rebellions or revolutions in any country or any other cause beyond the reasonable control of such Party.
- 27.2 The Party affected by the Force Majeure Event (the "Affected Party") shall, as soon as it becomes aware that a Force Majeure Event is likely to occur or has occurred, immediately notify the other Party in writing, setting out in detail the extent and expected duration of the Force Majeure Event. The Affected Party will immediately notify the other Party as soon as the Force Majeure event ceases.
- 27.3 The Affected Party shall then be excused from performance of its obligations to the extent and for the period that it is unable to perform those obligations as a result of the Force Majeure Event and neither Party shall be entitled to claim damages, penalties or other compensation from the other as a result of such Force Majeure Event or the failure by the Affected Party to perform. In addition, the unaffected Party shall not be obliged to counter-perform any obligation where performance of the Affected Party has not taken place due to a Force Majeure Event.
- 27.4 Where the inability of the Supplier to perform the Services due to a Force Majeure Event will, or is reasonably expected to, prevent, hinder, or delay Foskor for more than 3 (three) consecutive days from continuing or recommencing, as the case may be, its applicable operations, Foskor may, where the nature of the Services permit, procure such Services, or any portion thereof, from an alternate source and may terminate the Agreement in whole, or to the extent of the Services procured from the

alternative source, without liability to the Supplier, other than having to pay the Supplier for such Services performed in accordance with the provisions of the Agreement.

- 27.5 Notwithstanding the above, where the Force Majeure Event continues for an uninterrupted period of 30 (thirty) days, either Party may forthwith terminate the Agreement on 10 (ten) days written notice.

28 DISPUTE RESOLUTION

Any dispute arising between the Parties, or any claim by one Party against the other, regarding the existence, validity, interpretation or enforceability of the Agreement, a breach or alleged breach of the Agreement or the liability of a Party under this Agreement (all of the foregoing a "Dispute") shall be subject to the following dispute resolution procedure:

- 28.1 A Dispute will in the first instance be referred to duly authorised senior representatives of each of the Parties for resolution. If such Dispute is not resolved within 30 (thirty) days from date of referral, either party may refer the Dispute to arbitration in accordance with the rules of the Arbitration Foundation of Southern Africa ("AFSA").
- 28.2 The arbitration shall be held in Sandton, or such other location as agreed between the Parties, before a single arbitrator agreed on by the Parties, or should the Parties fail to agree on an arbitrator within 10 (ten) days after arbitration has been demanded, the arbitrator shall be nominated at the request of any Party by AFSA. The arbitration shall be held in the English language.
- 28.3 The arbitrator shall commence the arbitration within 21 (twenty-one) days and proceed as if time is of the essence in the arbitration proceeding and shall render his or her decision within 14 (fourteen) days following the conclusion of the hearing.
- 28.4 Any Party may appeal the decision of the arbitrator within a period of 20 (twenty) days after the arbitrator's ruling has been handed down by giving written notice to that effect to the other Party to the arbitration. The appeal shall be dealt with in accordance with the rules of AFSA by 3 (three) arbitrators appointed by AFSA.
- 28.5 The decision of the arbitrator shall be binding on the Parties to the arbitration after the expiry of the period of 20 (twenty) days from the date of the arbitrator's ruling if no appeal has been lodged by any Party or upon the issue of determination by the appeal panel, as the case may be. A decision, which becomes final and binding in

terms of this clause 28.5 may be made an order of court at the instance of any Party to the arbitration.

28.6 Each Party agrees to continue performing its obligations under the Agreement while any Dispute is being resolved except to the extent that the issue in Dispute precludes performance (dispute over payment shall not be deemed to preclude continued performance).

28.7 The Parties shall use commercially reasonable efforts to resolve Disputes arising under the Agreement as rapidly as possible.

28.8 This clause 28 shall not preclude either Party from applying for the granting of summary judgment (in cases of liquidated claims) or either Party from seeking urgent relief from the High Court of the Republic of South Africa or any other competent organs of state created for the specific purpose of regulating the business or industry activities in which the Parties are engaged.

28.9 Any dispute resolution or arbitration process under this clause 28 shall be conducted *in camera* and the Parties shall treat as confidential and not disclose to any third party, details of the Dispute, the conduct of the informal or formal dispute resolution proceedings or the outcome of the dispute resolution proceedings, without the written consent of the other Party provided that the Parties shall be entitled to disclose such information to such persons as are necessary to enable them to institute or defend their case.

30 GENERAL

- 30.1 The Supplier will not cede, delegate or assign any of its rights, benefits and/or obligations in terms of the Agreement, in whole or in part, to any third party without the prior written consent of Foskor.
- 30.2 The Supplier may not sub-contract its obligations under the Agreement without the prior written consent of Foskor. Should Foskor consent to such appointment, the Supplier shall at all times be responsible to Foskor for fulfilment of all the Supplier's obligations under the Agreement and remain Foskor's sole point of contact regarding the Services, including with respect to payment. No obligation shall arise between Foskor and any Authorised Sub-contractor, save for the correct performance of Services in terms of the Agreement.
- 30.3 Foskor shall have the right during the continued duration of the Agreement to revoke its approval of an Authorised Sub-contractor and direct the Supplier to replace such Authorised Sub-contractor upon 30 (thirty) days' notice if the Authorised Sub-contractor's performance is materially deficient, or *bona fide* doubts exist concerning the Authorised Sub-contractor's ability to render future performance because of changes in the ownership, management, and/or financial condition of the Authorised Sub-contractor, or there have been material misrepresentations regarding the Authorised Sub-contractor.
- 30.4 Neither Party shall during the currency of the Agreement and for a period of 1 (one) year after its termination, induce, encourage or procure any employee employed by the other Party to become employed by or associated directly or indirectly in any manner in the other. If an employee of either Party responds to an employment advertisement of the other Party, the Party seeking employees shall notify the other Party prior to commencing any formal procedures, in order to minimize business interruption.
- 30.5 Should any of the terms and conditions of the Agreement be held to be invalid, unlawful or unenforceable, such terms and conditions shall be severable from the remaining terms and conditions which shall continue to be valid and enforceable. If any term or condition held to be invalid is capable of amendment to render it valid, the Parties agree to negotiate an amendment to remove the invalidity.
- 30.6 The Supplier shall not make or issue any formal or informal announcement (with the exception of stock exchange announcements), advertisement or statement to

the press to any other person in connection with the details of the Agreement without the prior written consent of Foskor. No documents in possession of the Supplier or photos taken of Foskor's plant or mine may be disseminated or released to any third party without the prior written consent of Foskor.

- 30.7 No change, waiver or discharge of the terms and conditions of the Agreement shall be valid unless in writing and signed by an authorised representative of the Party against which such change, waiver or discharge is sought to be enforced, and any such change, waiver or discharge will be effective only in the specific instance and for the purpose given. No failure or delay on the part of either Party hereto in exercising any right, power or privilege under the Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
- 30.8 Except where expressly provided as being in the sole discretion of a Party, where agreement, approval, acceptance, consent, or similar action by either Party is required under the Agreement, such action shall not be unreasonably delayed or withheld. An approval, acceptance, consent or similar action by a Party under the Agreement shall not relieve the other Party from the responsibility for complying with the requirements of the Agreement, nor shall it be construed as a waiver of any rights under the Agreement, except as and to the extent otherwise expressly provided in such approval, acceptance or consent.
- 30.9 The Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same Agreement, as at the date of signature of the Party last signing one of the counterparts. - 30.10 The Agreement will be governed by and construed in accordance with the law of the Republic of South Africa and all disputes, actions and other matters relating thereto will be determined in accordance with such law.
- 30.11 The Parties agree that there are no other collateral terms or conditions to the Agreement, whether oral or written
- 30.12 In the event of a conflict between the documents comprising the Agreement, such conflict shall be resolved in accordance with the order of precedence (in

descending order of priority) as follows (i) the Letter of Award or relevant Purchase order and its annexures; (ii) the scope of work; (iii) the Specifications; (iv) the Special Terms; (v) these Standard Terms and Conditions.

The Parties also warrant and acknowledge that the relationship between them is not in the nature of a partnership and that neither Party is in any manner entitled to make or enter into binding agreements of any nature on behalf of the other Party.
- 30.14 Any provision of the Agreement which contemplates performance or observance subsequent to any termination or expiration of the applicable Agreement shall survive any termination or expiration of the applicable Agreement and continue in full force and effect.
- 30.15 Each Party agrees that, in its respective dealings with the other Party under or in connection with the Agreement, it shall act in good faith.
- 30.16 Each Party shall bear and pay its own costs of or incidental to the drafting, preparation and execution of the Agreement.
