CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

- 3) The impact of the new directive received from National Treasury is that the Department will no longer dispose of the vehicles by way of public action. A quotation process will now dispose of vehicles where bidders will be invited to submit offers for the vehicles, which the Department wishes to dispose off.

No guarantees will be given in this regard. Prospective buyers are therefore advised to inspect each vehicle/lot before an offer to purchase is made.
- 6) Bidders are to note that all vehicles which are for sale have been de-registered with the Department of Transport. De-registration certificates will be provided to successful bidders in order that they can in due course re-register and licence vehicles after they have gone through a Certificate of Roadworthiness process as required by National and Provincial Traffic Legislation.
- 7) De-registration certificates will only be provided to the successful bidder once proof has been provided of the sale of the vehicle including a reflected deposit of the full sale amount into the Department’s banking account.
- 8) After the SCM process has been completed, the successful bidder will be informed to make payment and remove the assets from the Department premises.
- 9) All vehicles purchased during the sale must be removed from the Department's premises by the bidders within a period of 3 working days. Failure to remove the vehicles within the period of three days will result in the request for offer being cancelled and the next recommended bidder being offered the vehicle.
- 10) The Department will ensure that registration plates, decals and licence discs are removed from the vehicles.
- 11) The sale will be awarded to the highest quotation received and taking into account preference points awarded on the 80/20 preference points system.
