	of credible information, such as the SAPS, the NPA, the SIU or other related source. - The implications of this “flag” are as follows: No new contracts or extension of existing contracts may be awarded to the supplier pending finalization of supplier disciplinary processes against the supplier. As such, the supplier’s bid should be removed from any tender evaluation at the “eligibility” or “compliance” assessment stage of the evaluation. - Checking of suppliers’ status prior to submission of quotes Panel suppliers are required to check their status with Vendor management prior to submission of quotations. A supplier is contractually obliged to notify NTCSA of any official changes to its legal name, changes to its legal persona, ownership and management, and any cessions of rights and delegation of obligations in terms of contracts with NTCSA. Where a supplier undergoes a name change without changes to its legal persona, ownership and / or management, then such a name change must be duly notified to NTCSA within 30 days thereof. All appropriate documentation confirming the name change, together with all updated documentation containing the supplier’s new name must be submitted to NTCSA. The supplier’s registration number will not be changed in this instance. Where a registered supplier undergoes a merger /acquisition between various entities and / or a change in ownership and / or management, then such a supplier is obliged to notify NTCSA of the change, within 30 days thereof. Failure to notify NTCSA of such a change may result in the supplier not being paid due to the new name and new banking details. Where a supplier duly notifies NTCSA of such change, such notification must be accompanied by a new application to register as a supplier on the NTCSA Supplier Database. The supplier, in its new form, must re-apply to be registered on the NTCSA Supplier Database, against appropriate supporting documentation. The supplier will receive a new supplier number.

	Changed banking details, company registration documents and certified letters from suppliers will be required in order to re-register. The record on the system will be changed to reflect the new details. In the case of changes to the legal persona of the supplier of an existing contract, a due diligence needs to be conducted. This entails Transmission identifying possible risks due to the change to the supplier's legal persona and requesting documents to their satisfaction from the supplier. The following due diligence checks must be completed: 1. The Legal Department must determine any risk in terms of possible changed liabilities and indemnities; 2. The SHEQ department must ensure that the changed entity can still fulfil the requirements as set out in the contract document; 3. Technical must ensure that the changed entity still has the capabilities and capacity to execute the contract; 4. The Procurement Practitioner must ensure that all applicable certificates are valid and in the name of the changed entity; 5. SDL&I will determine if the changed entity has the same or a better level of B-BBEE as at contract award stage. If not the same or better, then conditions may be stated in the modification (which will be part of the contract) to meet the same level or better within a certain period; 6. The Finance Department must ensure that there is no financial risk to NTCSA. Where due diligence is required in terms of the requirements above and a supplier has responded to the RFQ with the potential of being the successful tenderer for the RFQ, The Employer may elect to consider the second highest ranked tenderer from the evaluation process for award of the task order.
