TERMS OF REFERENCE

TERMS OF REFERENCE FOR THE APPOINTMENT OF A PANEL OF SERVICE PROVIDERS TO ASSIST THE IMPLEMENTATION OF THE NATIONAL DEPARTMENT OF HUMAN SETTLEMENTS COMMUNICATIONS STRATEGY FOR A PERIOD OF THREE YEARS – (36 MONTHS)

1. PURPOSE

This document sets out terms of reference to appoint a panel of service providers to support the implementation of the five-year Communications Strategy for the National Department of Human Settlements (NDoHS) and Ministry. The panel will consist of companies that will conceptualize, package, produce, promote, and publicize all identified areas of integrated communications of the Department and all its agencies.

2. BACKGROUND AND MANDATE

The National Department of Human Settlements is responsible for coordinating the implementation of all programmes within the Department and Ministry portfolios and ensuring that everyone in the sector meets priorities as set out by MINMEC and outlined through Budget Speeches, Directives, State of the Nation Address (SONA) and the Medium-Term Strategic Framework (MTSF).

The Chief Directorate Communications Services is also tasked with coordinating integrated communication strategies to market the Departmental Programmes and to make citizens active participants in the mission to improve the quality of life for all South Africans.

The Communications Chief Directorate is currently coordinating an integrated communication campaign that includes all the Entities of the Department as part of the implementation of this multimedia communication campaign.

To ensure NDoHS achieves its objectives it must develop a new communication approach centered on the following:

a. The human rights of sustainable housing must be at the heart of its messaging.

In the messages it communicates, NDoHS must reaffirm its commitment to the effect that everyone has the right to have access to adequate housing. It must reflect the core conviction that focusing on the most disadvantaged builds stronger societies and more equitable communities across South Africa.

b. Communication must be focused on people.

A new strategic imperative is to move communication from a one-directional stating of information and facts to a two-way conversation. We must allow NDoHS to listen and respond to its audiences.

c. NDoHS communication must be fully integrated and adaptable at the local level.

Effective communication is more than a 'service' within NDoHS' programme. By supporting, strengthening, and extending the reach of NDoHS programmes, communication can help South Africans to support the human settlements mission.

3. SCOPE OF WORK

The panel will be responsible for implementing a multimedia and developmental communication campaign that is targeted and speaks to citizens and the public.

Therefore, the scope of work will be as follows from conceptualization to full production:
