	(ii) Plastic New Jersey barriers (2000 x 1000 mm high)	No

- iv. Replace page 269 of the tender document Health and Safety Specifications with page 269A

Changes:

- Added the following:

H7 EMPLOYER'S HEALTH AND SAFETY AGENT

The contractor shall on behalf of the Employer appoint an Employers Health and Safety Agent With the necessary competencies, appropriate Qualifications and resources to act as Employers Agent in terms of the Occupational Health and Safety Act with at least 5 (Five) years verifiable experience as an OHS Client's Agent.

The Employer's Health and Safety Agent shall perform the following duties:

- Audit the Contractor's compliance with the requirements of this Specification prior to the commencement of any physical construction activities on the Site, and sign off the contractors Health and Safety file.
- Accept or reject all safety plans, giving reasons for rejecting such plans;
- Monitor the effective implementation of all safety plans;
- Conduct monthly and random audits on the health and safety file and site to establish compliance with the requirements of this Specification and the Contractor's health and safety plan; and issue, wherever necessary, any notices and/or instructions to the Contractor or any of the Contractor's subcontractors.
- Prepare a monthly H&S report and present it monthly at the site meeting.

Tenderers are to return a signed copy of this notice/addendum with the submission of their Tender (See Schedule 14 of Tender Document).

Yours faithfully,

Addendum to Tender Documents
