Or cellphone numbers	:	

Note: Supplier and Participant are still to engage for better understanding of the printing requirements and an analysis of the printing environment must still be conducted by the Supplier.

Procurement Options

State institutions have different printing needs; provision has therefore been made for different procurement options from the transversal contract to cater for the different printing needs on existing lease agreements emanated from RT3-2015 to RT3-2018 and new lease agreements to emanate from RT3-2022. The printing needs assessment analysis performed by the Supplier will inform any option suitable to the State institution.

(Select option by ticking in the box)

1.1 **Option 1** ☒

State institutions can lease or procure a complete printing solution, which requires the completion of this analysis for printing requirements

1.2 **Option 2** ☐

State institutions can lease or procure equipment only, which requires the completion of this analysis for printing requirements

1.3 **Option 3** ☐

State institutions can lease or procure services only (e.g. software to perform a certain service or function), which requires the completion of this analysis for printing requirements

1.4 **Option 4** ☐

State institutions can lease or procure accessories only, which requires the completion of this analysis for printing requirements with a clear indication to the Supplier/s

1.5 **Option 5** ☐

State institutions can lease or procure a combination of any of the above options, which requires the completion of this analysis questionnaire

Note! Supplier may request any relevant information of the current printing solution for better analysis of the printing requirements

#	Element	Response Complete or tick ✓
NEW EQUIPMENT / PRINTING SOLUTION		

ALL Suppliers are to provide basic services of electronic monitoring, meter reading and print release by pin codes as it is a standard function on the equipment.

Are you looking for a?									
Printer	Copier	Scanner	Fax	All of them
