**1. Query 1 (sent via email dated: 11 May 2022 10:02)**

- We offer accredited LEPO NQF Level 5 training that is credit bearing onto 2 formal qualifications Higher certificate and Diploma in Law Enforcement. Approved by the council of higher education. Will this disqualify us as I see that the course must SETA accredited and our courses are not SETA accredited.

**Clarification for Query 1:**

**2. Query 2 (sent via email dated: 19 May 2022 12:41)**

- Is the advertised training aligned to unit standard as per saqa training. If yes, please share the unit standard ID number so I can check on our scope of accreditation.
- We are based at Esikhawini, North of Kzn, and would like to know if you will take water-bill for uMhlathuze municipality,
- For training venue, what should we submit since we will hire it as we are based in Esikhawini not in Durban
- If this training is not unit-standard aligned, would you consider the Services-seta accredited SDP in any other qualifications

**Clarification for Query 2:**

- Yes there are and they are on the document – Basic English Comm US 119642, Financial Skills US 119913.
- the declaration of municipal fees on page 13 of the tender document states: if you are outside the jurisdiction of eThekweni you can submit a municipal bill from the relevant municipality which will be uMhlathuze.
- we will view the venue that you will hire should there be a need to do so.
