NAPPI PRICE FILE QUOTATION FORM

Dear Nobantu,

Thank you for the request to renew the current subscription to the MediKredit NAPPI Price File.

The MediKredit NAPPI File:

- Is updated daily by a dedicated team of experts.
- Is available to you daily, weekly, or monthly according to your needs.
- Is available via FTP site.

You have asked for a quote for the NAPPI Price file:

New 2026

Total fees for 3-year contract				R2,512,566.13

PLEASE TAKE NOTE THAT:

- Final prices quoted are Including VAT and are at the commencement of each calendar year subject to an annual price review as reflected above.
- The prices quoted are a monthly fee payable in advance.
- This quote is valid until end of March 2026.

PLEASE ALSO TAKE NOTE THAT:

- A valid contract in respect of the sale of the NAPPI Price File to you will only be concluded once the MediKredit NAPPI Price File User Agreement and Implementations Forms have been signed by duly authorized representatives of MediKredit and your Company.
- These documents and contract are necessary in order to govern the Service Levels on MediKredit as well as to define the circumstances under which such price files can be used.
- This quote is subject to the Compensation Fund using the MediKredit NAPPI Price file for processing Compensation Fund member claims only.
- Should the Compensation Fund enter into an agreement with MediKredit with regard to other MediKredit services relating to claims processing or switching then MediKredit may negotiate a discounted rate for the Compensation Fund for use of the MediKredit NAPPI Price File.
- This proposal will be secured by way of at least a 3-year agreement, including a 3-month notice period to terminate on or before the 1st day of October of the final year for termination on the 31st of December, on terms that are mutually acceptable to both parties.

Should you be interested in proceeding with contract negotiations, please confirm that the above quotation is acceptable and let us have the following information for contractual purposes:
