RE: INVITATION TO TENDER (MPGXC006586) THE PROVISION MAINTENANCE OF LIGHTS, CABLES TESTING, REPAIR/REPLACE AND DOMESTIC CIRCUITS (ISSUING OF COC), AND DISPOSAL OF USED LIGHTS FOR A PERIOD OF 5 YEARS AT KENDAL POWER STATION

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the provision maintenance of lights, cables testing, repair/replace and domestic circuits (issuing of coc), and disposal of used lights for a period of 5 years at Kendal power station due to the following reasons:

- The Mandatory Technical evaluation criteria " ECB regulation" be removed as It is no longer required anymore.
- Technical Team being concern that it will be unfair for suppliers to be adjudicated on the same ECB regulations requirements that was removed as a legal requirement, by department of labour.

The new enquiry will be re issued to Eskom Tender Bulletin and National Treasury e-tender portal in due course. Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
