Session Objectives

- The session will focus on better support of the submission of comprehensive tenders and by:
- Providing pro-active responses to the clarification requests submitted in advance (if any)
- Also to address questions on the invitation to tender

- The tender is available on Eskom's tender bulletin and is **TENDER NO: CORP5534**
- Link is <https://tenderbulletin.eskom.co.za> and www.etenders.gov.za
- Ensure clarification requests are clear and concise to enable Eskom to provide a comprehensive response
- Tenders close: **28 October 2021 at 10h00**

- **One original and hard copy** of the original documents
- Failure to submit **(1) hard copy** of the original tender at tender submission deadline, the tenderer will be disqualified
- Eskom also require one (1) additional complete soft copy of the original tender in electronic format (memory stick)
- Central Supplier Database (CSD) number (MAA.....)
- Submission of the mandatory commercial tender returnables as at stipulated deadlines
- Submit a complete original tender with commercial, financial and technical information.

- Tenders submitted to the email address will **not be accepted**
- **No late submissions will be accepted**
- Delivery: Eskom Megawatt Park Tender Office; Northside (Retail centre); Maxwell Drive; Sunninghill.
- Email all communication / clarifications to: makhubtc@eskom.co.za
- Addressed to Tinyiko Makhubele
- One point of contact between Eskom's Representative and the tenderer
- No individual separate discussions will be allowed

- Tax (Your tax affairs should be up to date as Eskom cannot do business with supplier who is not tax compliant)
- B-BBEE (tenderers are required to provide “**proof of B-BBEE status level of contributor**” at tender submission deadline)
- May include the following :-
 - original or certified copy of B-BBEE certificate or original signed sworn affidavit
 - share certificates in the event that the a company or a Co-operative
- If a tenderer fails to submit proof of B-BBEE status level, the tenderer will not be disqualified. The tenderer will, however, be scored out of 80 points for price and will score 0 points for B-BBEE level which is out of 20.

With your tender submission, please provide the information below

- **Please confirm the lead time for the shipping of the thermal imaging camera from OEM, if it is not locally available. The lead time should be determined from the time the contract is placed and include customs clearing. Based on the project plan, the contract placement could be finalised during December 2021.**
- **Please confirm whether the thermal imaging camera has any operational constraints, in relation to the generator operating condition during the leak detection exercise**
- **Please confirm your availability during the December 2021/January 2022 period**

Questions?

Thank you
