Dear Sir/Madam

Request for Enquiry Number	E2218GXMPCAM
Description / Project Title	The maintenance and repairs of water treatment plant, effluent treatment plant and associated plants with auxiliary plant maintenance at Camden Power Station for a period of 48 months
Tender Questions Closing Date	10 working days before tender closing date

Item	Questions	Answers	Clarity Published Dates
1.	Clarity requested under commercial returnables, what documents are required to be submitted?	Please refer to pages 12–16 of the Invitation to Tender document. All required commercial returnable documents, and associated annexures are listed there.	
2.	Are Safety documents/requirements mandatory returnables?	No. SHEQ (Safety, Health, Environment, and Quality) requirements are contractual requirements, not mandatory returnables. These documents are non-disqualifying and may be submitted before the contract award.	
3.	Safety requirement for OHS Competency – are you specifically referring to the SHE Officer competency only or are suppliers also required to submit the one for SHE Rep, first aiders, etc?	This requirement refers specifically to the full-time SHE Officer, as the contract is classified as high risk and requires a dedicated SHE Officer onsite.

4.	Is the ISO 38-34 a mandatory returnable on the technical evaluation criteria. If you don't have the certificate, can you subcontract a contractor that has the certificate? Is that allowed?	Yes, this ISO certificate is a mandatory returnable. Failure to submit it will result in disqualification from further evaluation. Yes, you may subcontract or form a joint venture with a contractor who holds the required certificate, and that will be accepted.	
5.	The submission of 5 CV's is it per discipline or?	Please ensure your submission targets the maximum evaluation points available by providing the most relevant documents and qualifications under the technical evaluation criteria.	
6.	On the BOQ point no 3, it states that there are no drawings for this scope, does that mean that the work will be executed without drawings? The price list in the NEC document differs from the BOQ. Which pricing schedule should we use?	Yes, drawings are not required for this contract. Work will consist primarily of "like-for-like" replacements where necessary. The buyer will verify the price list in the NEC. If any discrepancies exist, the corrected list will be published. Use the PDF and Excel BOQ provided on the tender bulletin to populate your prices, as these are the correct documents.	
7.	Is the financial requirements document available as checklist for suppliers to complete?	Yes. This document will be shared with the buyer for publication on both the tender bulletin and the NT ePortal.	
8.	SDL&I – Under local procurement, Eskom's percentage target is 100%. Will a supplier be penalised if they indicate 80%?	Please note, this contract is strictly for resources/labour only, with no materials to be supplied. Eskom is targeting a 100% local procurement outcome for this contract. Suppliers should ensure their submission aligns with this target and be prepared to justify any deviation (e.g., indicating an 80% local procurement).
