CLARIFICATION QUESTIONS RECEIVED:

Question 1:

Confirmation that this tender is not a 2 envelope submission.

Answer:

This is not a 2 envelope process. The offer, in its entirety, must be submitted by the closing date of the tender.

Question 2:

Where a Joint Venture is followed. Does the tender review committee utilise the BBEE data on the specific points to be allocated in 20 points outlined only from the lead partner or from all the parties outlined in the JV?

Answer:

In answering this question, the assumption is that both organisations have B-BBEE Certificates issued by SANAS Accreditation Agents. In terms of the B-BBEE Codes, bidders are required to submit a joint B-BBEE certificate as proof of their preference points claimed. The joint B-BBEE Certificate (and the specific points claimed by the bidder) must contain the information of all the Joint Venture partners.
