

CLARIFICATION REGISTER NO 3

No	Tenderer Query	Transnet Response
1	With regards to item 3.13 of the BOQ: Please advise if there is a drawing available which provides detail and measurements on the cupboard required?	There is no available drawing for the cupboards, only the wall surface area of 40 Sq. metres to occupied is available. Please refer to the attached standard kitchen cabinet dimensions for guidance.  KITCHEN CABINET STANDARD DIMENSIONS The diagram illustrates the standard dimensions for kitchen cabinets. It shows a wall unit with three sections, each 35cm wide. The height of the wall unit is divided into three sections: 70-90cm, 45-60cm, and 82-92cm. The base unit is 60-63cm wide and 82-92cm high. A person is shown reaching into the wall unit, and another person is shown kneeling next to the base unit. The logo 'ivan' is visible in the top right corner of the diagram area.
