

DESCRIPTION OF THE SERVICES: FOR THE PROVISION OF SPECIALIST CONSULTING SERVICES FOR THE FUEL IMPORT TERMINAL PROJECT FOR THE CONCEPT AND PREFEASIBILITY PHASE FOR TRANSNET SOC LTD OPERATING AS TRANSNET PIPELINES (HEREINAFTER REFERRED TO AS "TPL")

T2.2-03: Previous Experience

Tenderers are required to demonstrate their experience with regards to the design and engineering of multidisciplinary projects within the petrochemical industry. Respondents shall supply a sufficiently detailed list of projects that are to be tabulated in the table overleaf, indicating the following:

- a) Title of project.
- b) Name of client.
- c) Brief description of the scope of the project.
- d) Start and end dates of the project.
- e) Scope of services provided by Respondent, including disciplines within which services were provided.
- f) Value of professional fees (excl. VAT).
- g) Capital cost of project (excl. VAT).
- h) Name and contact details of client representative.

The scoring of this criterion will be based on the number of relevant and successfully completed petrochemical projects.
