	Please advise if we need to print both of the NEC documents and attach to the back of the commercial document after the invitation to tender? 1 document is 45 pages and the other is 11 pages	The commercial submission pack has extracts from both the NEC documents. Complete and sign the NEC extracts. Please <u>do not</u> print and submit the entire NEC documents.	
3.	SDL& I: Kindly assist with a template for Annexure C & Annexure E for a rates based contract.	Annexure C – tender's particulars is found in the invitation to tender. Annexure C and Annexure E – for local content declaration is found in the SDL&I folder.	31 October 2024
4.	SAFETY: Please advise if skills development and awareness training from a training provider will be accepted for Excavation Supervisor. Will this be accepted as it does not have an accreditation letter?	Excavation Supervisor is a specific skills in alignment to a specific type of work that requires supervision. For an excavation supervisor you are required to submit: • An appointment letter with the correct referencing • Training certificate for an excavation supervisor • Accreditation certificate from the company that issued the training certificate.	31 October 2024
5.	Please assist for the above noted tender, can one submit the following after tender closing date. OR they are also required at tender closing date. Safety, Quality, Environmental and Financial requirements.	It is highly recommended that the submission for Safety, Quality, Environmental and Financial requirements is submitted at tender closing date.	31 October 2024
