

RFP Number: T54/09/26

Description: APPOINTMENT OF A SERVICE PROVIDER FOR FEASIBILITY, BUSINESS CASE, ADVISORY AND IMPLEMENTATION READINESS SERVICES FOR THE OPPITOPI RESERVOIR NODE UPGRADE PROJECT IN THE RAMOTSHERE MOILOA LOCAL MUNICIPALITY

Question and Answers Version 1

No.	Question	Type	Answer
1	Given the timeframe constraints, would IDC consider extending the closing date for a week?	Admin	Yes, the new closing date is 23 October 2026
2	Please advise and list the technical information/studies that are available for this tender, i.e. scoping studies, previous designs, conditional assessments, capital costs, etc.	Technical	The Municipality advises that there is currently no existing technical information or documentation available for the project, such as scoping studies, previous designs, engineering drawings, condition assessments, feasibility studies, or detailed capital cost estimates. The service provider will therefore be required to undertake the necessary investigations, assessments, surveys, designs and other technical studies required to develop the project to the appropriate level of detail and to enable implementation.
3	If no information is available, please confirm that the bidder must price for all technical studies to pre-feasibility level	Technical	We confirm that, as no existing technical information or studies are available, bidders must make provision in their pricing for all necessary technical investigations and studies required to develop the project.
