INQUIRIES FROM BIDDERS	RESPONSES FROM ESKOM
• For there reference letters, should we only include appointment letters or can we attach reference letters? • With regards to the appointment/reference letters, must it state all services (Cleaning, Hygiene and Gardening) to acquire the full 2% per letter?? Or can the letter have only Cleaning and Gardening or just Gardening alone to acquire 2% for each letter?? • With regards to storage and lab results, what exactly is required to show proof of previous lab results for drinkable water? What documentation is needed?	• Appointment letters • Cleaning and gardening will be 2% per letter, if either or it will be 1%. Hygiene only will be 2%. • Test results of source of water.
