RFQ/RAD/2024/10245922/72: APPOINTMENT OF A SUITABLE SERVICE PROVIDER TO STAGE THE METRO FM MUSIC AWARDS NOMINEE ANNOUNCEMENT AND FASHION SHOW AS A ONCE-OFF PROJECT.

QUESTIONS & ANSWERS

1. **Last year the Nominee Announcement and fashion show were 2 separate events of which we were appointed for the Fashion Show. For the upcoming one, are they going to be a joint event or separate like last year? And are we allowed to cost them separately?**

➤ **Answer:** The fashion show aspect of the event will be executed by the MMA Sponsor, Africa Fashion International (AFI) and so need no quote for the Fashion show.

2. **Does this mean the fashion show is a totally separate event and not part of the nominee announcement? If it is part of the event, how does it fit in and which part of the event does it assume? For example - is it at the beginning or end of the event? What would that mean from a ramp perspective?**

➤ **Answer:** It most likely will be at the beginning. Any points of interception between the two events will be determined following our pending meeting with the sponsors.

➤ In the interim METRO FM will proceed with what is in their scope, which is curating the nominee's announcement event from end to end.

3. **How many special invitees and guest management?**

➤ **Answer:** The event will have 500 pax
