RE: INVITATION TO TENDER: MPKRI11475GX

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **the refurbishment of water pre-treatment plant at Kriel Power Station for a period of 18 months** due to the following reason/s:

- *Tender MPKRI11475GX for the refurbishment of the water pre-treatment plant at Kriel Power Station (18-month duration) Despite clear scope and a due evaluation, all tenders were technically noncompliant under the existing criteria. Market response did not yield any supplier capable of meeting the technical threshold. Consequently, the decision to cancel is accepted as a prudent response to genuine market incapacity, not internal process failure.*

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
