Re: Amendment to IZIKO_R&E_RFQ_L&E_2024/09/05 following the mandatory site visit.

Please note the following Amendments to the RTQ IZIKO_R&E_RFQ_L&E_2024/09/05.

8. PRICING

Table 2: Cost Schedule- 1.6 & 1.7 further clarity provided.

1.6	Access equipment. 1-5 m per day	The floor must be protected at all times. Costing must include the cost of floor coverings or any other form of protection.
1.7	Access equipment. 5-10m per day	The floor must be protected at all times. Costing must include the cost of floor coverings or any other form of protection

Table 2.2: Date amended, P1d & P1e further clarity provided.

P1	Iziko South African National Gallery - As per Annexure A	
	Installation Dates: 18 November – 15 December 2024	
P1 d	Locate and trace existing electrical lines and circuits for plugs in all rooms and outline load capacity.	Quote for 2 teams of 3x people, 1x main electrical and 2x assistance) for 3 days, 5 pm -10 pm.
P1 e	Run new wiring to update the capacity of plug points using a cable puller or fish tape. Some are closed and need repair. Pull new wires through existing conduits or tubing, so there is no need for any demolition, trunking or chasing into walls.	Quote for 2 teams of 3x people, 1x main electrical and 2x assistance) for 5 days. Thereafter the per day call-out fee per team will be applied, on approval from the Project Manager. Include the cost of the Cable puller or fish tape.

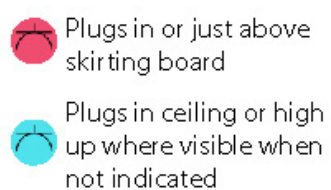

Annexure A Page 19

The second half of page 19 must be removed as pictured below. It is a duplicate and the instructions are incorrect.

Best,

Amy Sephton
