

Integrated Renewable
Energy & Resource
Efficiency Programme

DEAR VALUED STAKEHOLDER

**THE DEPARTMENT OF PUBLIC WORKS AND
INFRASTRUCTURE (DPWI) CORDIALLY INVITES YOU TO THE
BIDDERS' BRIEFING SESSION IN RESPECT OF THE
INTEGRATED RENEWABLE ENERGY AND RESOURCE
EFFICIENCY PROGRAMME (IREREP)**

The Department, supported by the Government Technical Advisory Centre (GTAC) has developed the Integrated Renewable Energy and Resource Efficiency Programme (iREREP/ Programme). The Programme is aimed at rolling out Renewable Energy, Energy Efficiency (including Solar Geysers), Water Efficiency, and Alternative Waste Management solutions across the Department's property portfolio.

In support of this very important milestone in the Programme, the DPWI will host a bidders' briefing session to outline the strategic imperatives of the Programme and to also provide registered bidders with key and centralised information on the Programme, flagship projects and the procurement process.

The Bidders' Briefing Session will be held on:

Date: 01 September 2023

Time: 08H30 -13H00

Venue: Industrial Development Corporation (IDC) Auditorium,
82 Grayston Drive, Sandton, Gauteng

Please register on the following link:
