|------|-------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1    | Volume 1, Part T1.2: Tender Data, Clause: C.2.1.4.3.3, Table 2, Page 10 | Clarify whether a joint venture with a civil contractor is mandatory for this tender. If not, would the civil works experience of a subcontractor be considered towards the overall functionality points required for the M&E contractor? | A joint venture with a Civil contractor is not required for this tender. You can achieve the necessary functionality points by utilising a subcontractor for the civil works if they are included in your Schedule 18: Schedule of Subcontractors and the sub-contractor provides the Main Tendering Entity with a written agreement that they will undertake the work for the duration of the project (agreement submitted as part of Returnable Schedule No.3). |
| 2    | Volume 2, Part T2.2: Returnable Schedules, Schedule No. 8               | Does the CCT Supplier Database Registration requirement apply only to the main bidding party or to all parties involved in the bid, including subcontractors?                                                                             | For Joint Ventures and Consortiums, all parties must be registered on the CCT Supplier Database.<br><br>The sub-contractors do not need to be part of the CCT Supplier Database if there is a written agreement with the Main Tendering Entity that the sub-contractor will undertake the work for the duration of the project (agreements to be submitted as part of Returnable Schedule No.3).                                                                  |
| 3    | Volume 4, Tender Drawings                                               | A request was made to issue a link to the drawings.                                                                                                                                                                                       | Drawings can be found on the link below:<br><a href="https://www.dropbox.com/scl/fo/m1d25iw37tqn1ox1to6u/AMpMV6fHLzjbaVnazLBorpo?rlkey=yaghlqu15v7bsly28ozdzh06&amp;st=mgjy0xc&amp;dl=0">https://www.dropbox.com/scl/fo/m1d25iw37tqn1ox1to6u/AMpMV6fHLzjbaVnazLBorpo?rlkey=yaghlqu15v7bsly28ozdzh06&amp;st=mgjy0xc&amp;dl=0</a>                                                                                                                                   |
