### 3 Supply Requirements

The Supply Requirements for this contract are in an Annexure to the Contract Data provided by the *Purchaser*.

All deliveries must be done at the Kendal Power Station Stores Receiving

The delivery note must reference the order

Deliveries must be made between 07:15 – 16:30 Monday to Thursday and Friday 07:15 - 12:15

At times during weekends or weekdays after hours, Special deliveries might be requested during plants breakdowns

### 4 Constraints on how the *Supplier* Provides the Goods

#### 4.1 Programming constraints

- When delivery materials to site, each item must be marked with the purchase order number.
- Eskom Holdings Limited will only accept items stipulated in the Eskom Holding Limited`s purchase order
- No delivery will be made without a purchase order number (450.....)
- Wrong deliveries will not be accepted and will be returned to be supplier
- Quality check will be done, and material with poor quality will be returned without exceptions. The supplier will have to replace the goods
- The price include delivery but excludes VAT
- Material damaged due to inadequate protection will not accepted on site. You are urged to ensure that sufficient packing protection is given to goods that may be susceptible to damage in transit

#### 4.2 Services & other things to be provided by the *Purchaser* or *Supplier*

During offloading, Eskom will assist with a forklift

#### 4.3 Management meetings

Regular meetings of a general nature may be convened and chaired by the *Supply Manager* as follows:

| Title and purpose                     | Approximate time & interval | Location             | Attendance by:                                                              |
|---------------------------------------|-----------------------------|----------------------|-----------------------------------------------------------------------------|
| Risk register and compensation events | As an when required         | Kendal Power Station | Purchaser, Supplier and stakeholders from both parties as and when required |

Meetings of a specialist nature may be convened as specified elsewhere in this Goods Information or if not so specified by persons and at times and locations to suit the Parties, the nature and the progress of the manufacture of the *goods*. Records of these meetings shall be submitted to the *Supply Manager* by the person convening the meeting within five days of the meeting.

All meetings shall be recorded using minutes or a register prepared and circulated by the person who convened the meeting. Such minutes or register shall not be used for the purpose of confirming actions or instructions under the contract as these shall be done separately by the person identified in the *conditions of contract* to carry out such actions or instructions.

#### 4.5 Documentation control

All documents submitted by the supplier shall be of good quality and shall be subject to the Purchaser's approval. All goods to be delivered must be accompanied by a delivery note.

#### 4.6 Health and safety risk management

The Supplier shall comply with the following health and safety requirements:  
The Supplier shall at all times comply with the health and safety requirements prescribed by law applicable to these services, including Eskom health and safety procedures.  
Minimum

- [1]Basic Conditions of Employment Act no 75 of 1997.
- [2]Occupational health and safety Act and Regulations No 85 of 1993.

| Drawing number | Revision | Title |
|----------------|----------|-------|
|                |          |       |
|                |          |       |
|                |          |       |
|                |          |       |
|                |          |       |
|                |          |       |

## **C3.2 *SUPPLIER'S* GOODS INFORMATION**

This section of the Goods Information will always be contract specific depending on the nature of the *goods* and *services*.

It is most likely to be required for supply contracts where the tendering supplier will have proposed specifications and schedules for the *goods* and *services*, which once accepted by the *Purchaser* prior to award of contract now become obligations of the *Supplier* per core clause 20.1.

This section could also be compiled as a separate file.
