ATTENTION : ACTING CHIEF EXECUTIVE

FROM : ACTING EXECUTIVE MANAGER – CORPORATE SERVICES

SUBJECT : REQUEST FOR APPROVAL TO EXTEND ACTING CHIEF EXECUTIVE'S PROTECTION SECURITY SERVICES: TYEK SECURITY

DATE : 23 APRIL 2026

1. PURPOSE

- 1.1 The purpose of this memorandum is to seek approval for the extension of Acting Chief Executive's protection security services provided by Tyek Security for a period of three (3) months, from 01 April 2026 to 30 June 2026, to ensure the continued safety and protection of the Chief Executive.

2. BACKGROUND

- 2.1 Amatola Water engaged Tyek Security to provide specialised protection services to the Chief Executive in response to identified risks associated with the position, as well as heightened security concerns that emerged during the 2025 protected labour strike, which necessitated the urgent deployment of armed response personnel.
- 2.2 The nature of the Chief Executive's responsibilities, which include oversight of strategic operations, stakeholder engagements, and high-level decision-making, necessitates continuous and reliable personal protection services.
- 2.3 The provision of these services has been instrumental in ensuring the Chief Executive's safety during both official duties and travel to operational sites, some of which are located in high-risk areas.

Board Members: Dr. G Sharpley (Chairperson), Ms. L Geza (Deputy Chairperson), Ms. N Abraham, Mr. M Sibam, Ms. S Songelwa, Mr. S Xawuka, Ms. N Douw-Jack, Mr. B Makedama, Ms. Nondumiso Ngonyama, Ms. S Ngumbela, Mr. T Balzer, Ms L Nzoyi (Acting CE)

- 2.4 The current arrangement is nearing its expiry, and given the ongoing risk environment, it is necessary to extend the service to maintain adequate protection without interruption.
- 2.5 The extension will ensure continuity of service while the organisation continues to assess long-term security requirements for executive protection.

3. DISCUSSION

- 3.1 Acting Chief Executive's protection services are a critical risk mitigation measure aimed at safeguarding the Acting Chief Executive against potential threats that may arise due to the strategic and public-facing nature of the position.
- 3.2 The continuation of these services ensures:
- Personal safety and well-being of the Chief Executive
 - Stability in leadership and uninterrupted execution of organisational responsibilities
 - Reduced exposure to security-related incidents during official engagements and travel
- 3.3 Discontinuation of protection services may expose the Acting Chief Executive to heightened security risks, which could have broader implications for organisational leadership and governance.
- 3.4 It is therefore prudent to extend the current services to ensure sustained protection while maintaining operational continuity.

4. RISK IMPLICATIONS

- 4.1 Failure to extend the executive protection services may result in:
- Increased personal security risk to the Acting Chief Executive
 - Potential disruption to organisational operations in the event of a security incident
 - Reputational risk to the organisation for not adequately safeguarding its leadership
- 4.2 The absence of structured and professional protection services may also lead to reliance on ad hoc security measures, which may not provide adequate risk mitigation.

5. FINANCIAL IMPLICATIONS

- 5.1 The extension of services will require allocation of funds to cover the cost of executive protection services for the six-month period from 01 April 2026 to 30 June 2026.

Board Members: Dr. G Sharpley (Chairperson), Ms. L Geza (Deputy Chairperson), Ms. N Abraham, Mr. M Sibam, Ms. S Songelwa, Mr. S Xawuka, Ms. N Douw-Jack, Mr. B Makedama, Ms. Nondumiso Ngonyama, Ms. S Ngumbela, Mr. T Balzer, Ms L Nzoyi (Acting CE)

- 5.2 The required funding for the period 01 April 2026 to 30 June 2026 is calculated as follows:
- Monthly cost: **R240 000.00**
 - duration of **3 months**
 - Total Amount is **R720 000.00**
- 5.3 The associated costs will be aligned with the existing contractual rates agreed with Tyek Security and will be confirmed in consultation with the Finance Department.
- 5.4 Provision for these services will be provided within the Corporate Services security budget, subject to availability, or through reprioritisation where necessary.
- 5.5 The extension represents a continuation of an existing service and does not introduce new or additional scope beyond the current protection requirements.
- 5.6 Approval of this request will ensure cost certainty and prevent potential escalation of expenses associated with emergency or short-term security arrangements.

6. COMPLIANCE WITH LEGISLATION

- 6.1 This memorandum is submitted in compliance with applicable legislation and regulatory frameworks, including:
- Public Finance Management Act, 1999
 - Occupational Health and Safety Act, 1993
 - Private Security Industry Regulation Act, 2001
 - Treasury Regulations and Supply Chain Management Framework

7. PERSONNEL IMPLICATIONS

- 7.1 The continued provision of executive protection services will ensure the safety and well-being of the Acting Chief Executive, enabling effective leadership and decision-making.

8. PROCUREMENT IMPLICATIONS

- 8.1 The requested extension relates to an existing service arrangement with Tyek Security and does not constitute a new procurement process but rather a continuation of current services for a defined period.

9. CONSULTATION WITH OTHER BODIES

- 9.1 None

Board Members: Dr. G Sharpley (Chairperson), Ms. L Geza (Deputy Chairperson), Ms. N Abraham, Mr. M Sibam, Ms. S Songelwa, Mr. S Xawuka, Ms. N Douw-Jack, Mr. B Makedama, Ms. Nondumiso Ngonyama, Ms. S Ngumbela, Mr. T Balzer, Ms L Nzoyi (Acting CE)

10. DELEGATION OF AUTHORITY

10.1 Chief Executive

11. PREVIOUS RESOLUTIONS

11.1 None

12. RECOMMENDATION

12.1 It is recommended that approval be granted for the extension of Tyek Security services for a period of three (3) months, from 01 April 2026 to 30 June 2026, to ensure the continued provision of protection services to the Acting Chief Executive.

Tips and Frequently Asked Questions (FAQ)

CSD REGISTRATION REPORT

Identifier

CSD cannot electronically verify the identity of a supplier other than a South African Individual / Sole Proprietor (through Home Affairs) or a company registered at the Companies and Intellectual Property Commission (CIPC). For this reason, a disclaimer is displayed for supply chain practitioners to obtain supporting documentation to verify the identity and legitimacy of a supplier in these cases.

Bank

For help on how to resolve bank failures click here: [I received an email stating the bank information I captured on the CSD was sent for bank account validation and could not be validated. The response received from the bank contains an error message.](#)
The various possible error messages received from the bank are highSemiBoded in red. Search for the applicable message and follow the detailed steps associated with that error message.

Tax

Tax Compliance Status

For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: [What should a supplier do if the tax status on CSD difference from the tax clearance certificate?](#)

Tax Compliance Expiry Date

For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: [How does CSD determine the tax compliance expiry date?](#)

CIPC

Should the director/member information reflected on the CIPC registration report differs to that reflected on CSD for help click here: [The active Directors/Members are not being populated on the CSD Directors/Members screen as they appear at CIPC, how can I rectify this?](#)

State Employee

For more information pertaining to government employment status click here: [Will there be verification done to identify if a supplier is a government employee?](#)

BBBEE

CSD does not automatically verify all certificate information with the various accreditation bodies. Organs of State are required, where not automatically verified by CSD, to manually verify this information with the applicable accreditation body as per current policies and procedures. Expired certificate information do not reflect on the report.

RESTRICTION

Restricted Supplier - A supplier is restricted by using the identification number of the entity e.g. CIPC registration -, trust -, Social Development non-profit -, South African ID -, Foreign company registration number or ID number. If there is more than one CSD Supplier profile registered on CSD with the same entity identification number, all those related supplier profiles will be restricted.

Restricted Director - A director/owner is an individual person and is restricted by using the South African ID or Foreign ID number. If a director belongs to different companies and has been restricted, the director will reflect as restricted in all companies where identification number is detected.

Restricted Suppliers & Directors are listed on CSD under Help - [Am I restricted?](#)

The CSD does not automatically verify foreign company registration number, international securities identification number, foreign identification numbers, foreign passport numbers, work permit numbers, foreign bank accounts, B-BBEE, demographic and accreditation information. Organs of State are required to manually verify this information with the applicable verification institutions as per their current policies and procedures.
