PROJECT JOB NUMBER: 15_2_149_24

[Signature]

1. PURPOSE

- 1.1 To seek approval to appoint 78 Community Radio Stations for the placement of the Department of Agriculture, Land Reform, and Rural Development Budget Vote campaign. Radio 786 will be the host of the program through an Outside Broadcast and will therefore link other community radio stations nationally for live transmission of the budget speech. This is according to Supply Chain Management Delegation requirements 4.13., and in line with instruction note number 03 of 2021/2023.

2. BACKGROUND

- 2.1 The Department of Agriculture, Land Reform, and Rural Development's Minister Thoko Didiza will deliver her budget vote speech on 09 May 2023 at Parliament in Cape Town.
- 2.2 The budget vote is a policy statement that highlights the department's financial allocations for the year and will expand the departmental contribution to the Government programme of action as contained in the State of the National address presented by the President. The Minister will also report on the progress from the

To seek approval to appoint 78 Community Radio Stations for the placement of DALRRD_ Budget Vote campaign

previous financial year. The speech will further outline the Departmental policy priorities to be implemented in the 2023/2024 financial year.

- 2.3 It is against this background, the Department of Agriculture, Land Reform, and Rural Development has requested GCIS Media Buying Unit to facilitate the placement of this campaign.

3 CAMPAIGN OBJECTIVES

- 3.1 To inform, educate and create awareness about the budget vote for rural development and land reform beneficiaries and the public.
- 3.2 To disseminate information about the budget vote.

4 TARGET MARKET

- 4.1 Rooted Realists, City Seekers, Safely Suburban, Metro Mobiles, and Cosmopolitan. ✓

5 CAMPAIGN PERIOD

- 5.1 10 May 2023 ✓

6 RECOMMENDATION

- 6.1 Media Buying recommends the use of Community Radio for this campaign. Community Radio is a very interactive and effective medium that will maximize reach and pass the government messages to the community nationally.

- 6.2 DELEGATION 4.13 COMMUNITY RADIO THRESHOLD R 1 500,000.00, TOTAL CAMPAIGN COST IS R 663 000.00. ✓

- 6.3 It is recommended that the **78 community** radio stations listed in Annexure A be paid to take part in the one (1) hour live transmission programme for the Department of Agriculture, Land Reform, and Rural Development Budget vote campaign. The stations will be paid **R 8000.00** each of which **Radio 786** as the host of the programme will be paid **R 35 000.00** to link all the appointed community radio stations. With the campaign, the department wishes to inform, educate and create awareness about their budget vote speech to their beneficiaries and the public.

Project name: DALRRD_Budget Vote

Job Number: 15_2_149_24

- 6.4 It should be noted that the request for Outside Broadcast services is due to the bad state of Radio Unit Cape Town Studio, which is not operational and is unable to facilitate the programs.
- 6.5 It is to be noted that an email to request quotations for the OB services and live transmission was sent to community radio stations nationally on April 28, 2023, with a deadline of May 02, 2023, at 10:00 for submission of compliance documents. The final list indicates 78 complaint stations that responded within the deadline. (See the attached list in Annexure A). ✓
- 6.6 It should also be noted that **R 12 000.00** will be allocated towards the production facilitation costs for the Directorate: Media Production official's travel arrangement.

Not recommended Station for OB

- 6.7 Other community radio stations quoted for OB service, **7441 FM**, and **Radio West Coast** will not be recommended to facilitate the programme due to their failure to submit the area coverage maps that indicate the area where the station broadcasts from which was mandatory as per the RFQ letter. The stations will therefore take part in the program through the link provided by **Radio 786**. ✓

7 FINANCIAL IMPLICATIONS

- 7.1 The Department of Agriculture, Land Reform, and Rural Development has transferred a total amount of **R1 007 000.00** into the GCIS Suspense Account which was approved and allocated to cover the running of the live transmission for the Budget vote campaign.
- 7.2 The total cost for this submission is **R 663 000.00**. See attached proof of payment.

PFMA SCM INSTRUCTION NO. 03 OF 2021/22
PUBLIC FINANCE MANAGEMENT ACT
(ACT 1 OF 1999)

ENHANCING COMPLIANCE, TRANSPARENCY AND ACCOUNTABILITY IN SUPPLY CHAIN MANAGEMENT

TO ALL:

ACCOUNTING OFFICERS OF DEPARTMENTS
ACCOUNTING OFFICERS OF CONSTITUTIONAL INSTITUTIONS
ACCOUNTING AUTHORITIES OF SCHEDULE 2 AND 3 PUBLIC ENTITIES
HEAD OFFICIALS OF PROVINCIAL TREASURIES

1. PURPOSE

This Instruction is issued to provide measures to—

- (a) improve compliance, accountability and transparency in the procurement of goods and services;
- (b) reduce the abuse of the Supply Chain Management (SCM) system; and
- (c) ensure value for money.

2. DEFINITIONS

In this Instruction, unless the context indicates otherwise, any word or expression to which a meaning has been assigned in the Public Finance Management Act, 1999 (Act No. 1 of 1999 – “the PFMA”) or Treasury Regulations, published on 15 March 2005 (as amended) has the same meaning assigned to it in the Act or the Regulations, and—

“emergency situation” means a serious and unexpected situation that poses an immediate risk to health, life, property or environment which calls for urgent action and there is insufficient time to follow a competitive bidding process;

“institution” means—

- (a) a national or provincial department;
- (b) a public entity listed in Schedule 2 or 3 to the PFMA; and
- (c) a constitutional institution listed in Schedule 1 to the PFMA;

“investigate” means an inquiry to determine and assess the facts of the complaint or allegation to establish the truth;

“limited bidding” means a bidding process reserved for a specific group or category of possible suppliers through procurement by—

Enhancing compliance, transparency and accountability in supply chain management

- (a) sole source where there is no competition in the market and only one supplier is able to provide the goods or services;
- (b) single source where a thorough analysis of the market and a transparent and equitable pre-selection process is used to decide on one supplier among a few prospective bidders to make a proposal;
- (c) multiple source where a thorough analysis of the market indicates that there is limited competition and only a few prospective bidders are requested to make a proposal;

"urgent case" means cases where early delivery is critical and the invitation of competitive bids is either impossible or impractical, not due to improper planning;

"person" means—

- (a) a bidder or supplier; or
- (b) a shareholder, director, trustee, partner member of a bidder or a supplier, or any person having a controlling interest in the bidder or supplier; and

"State" means—

- (a) a national or provincial department, national or provincial public entity or constitutional institution;
- (b) a municipality or municipal entity;
- (c) a provincial legislature; or
- (d) Parliament.

3. BACKGROUND

- 3.1 The PFMA promotes economy, efficiency, effectiveness and transparency in the use of state resources. Consequently, a key duty, amongst others, for the accounting officers/authorities (AOs/AAs) in terms of the PFMA are to establish and maintain an appropriate procurement and provisioning system which is fair, equitable, transparent, competitive and cost-effective.
- 3.2 In terms of section 6(2) of the PFMA, the National Treasury must prescribe uniform treasury norms and standards. This includes prescribing norms and standards to limit and prevent the abuse of the SCM system and the enforcement. In terms of section 18(2) of the PFMA, the provincial treasuries must enforce the prescribed norms and standards in their respective provinces.
- 3.3 Although the National Treasury is, in terms of section 6(1) of the PFMA required to, amongst others, promote and enforce transparency and effective management in respect of revenue, expenditure, assets and liabilities of institutions, it must do so with due regard to the PFMA functions of the AO/AA. According to sections 38 and 51 of

Enhancing compliance, transparency and accountability in supply chain management

the PFMA, the AO/AA must ensure effective, efficient and transparent systems of financial management as well as a procurement and provisioning system.

- 3.4 Non-compliance with SCM prescripts by institutions undermine sound financial management and ultimately erodes scarce resources that are intended for public service delivery.
- 3.5 Therefore, it is imperative that the AOs/AAs establish mechanisms to identify the risks and internal control weaknesses in their SCM systems to develop mitigating strategies and controls.

4. DEVIATIONS FROM NORMAL BIDDING PROCESS

- 4.1 If in a specific case it is impractical to invite competitive bids, the AO/AA may procure the required goods or services by other means, provided that the reasons for deviating from inviting competitive bids must be recorded and approved by the AO/AA.
- 4.2 In this Instruction, procurement by “other means” includes—
 - (a) limited bidding;
 - (b) written price quotations within the threshold determined by National Treasury Instruction; and
 - (c) procurement that occurs in emergency situations and urgent cases.
- 4.3 The AO/AA must provide for procurement by “other means” in a SCM policy for the institution.
- 4.4 The SCM policy must at least provide for—
 - (a) procurement by “other means” referred to in paragraph 4.2(a), (b) and (c), and any other procurement by “other means” that may be utilised;
 - (b) a plan to curtail reliance on procurement by “other means”;
 - (c) circumstances under which each procurement by “other means” may be utilised;
 - (d) processes to be followed in respect of identifying prospective suppliers for, and recording and approval of, procurement by “other means”; and
 - (e) assessment of all instances that gave rise to procurement by “other means”.
- 4.5 When procuring goods or services by “other means”, the AO/AA must ensure that the institution complies with other applicable SCM prescripts.

Enhancing compliance, transparency and accountability in supply chain management

- 4.6 The AO/AA must within 14 days after the finalisation of the procurement by “other means”, report the procurement to the relevant treasury and the Auditor-General of South Africa (AGSA) in a format determined by the National Treasury.
- 4.7 The AO/AA must ensure that procurement by “other means” is recorded in the annual report of the institution in a format determined by the National Treasury.

5. EXPANSIONS AND VARIATIONS OF CONTRACTS

- 5.1 The AO/AA may, in accordance with this paragraph—
- (a) expand a contract by increasing the scope of work; or
 - (b) vary a contract by changing the scope of work.
- 5.2 If an expansion or variation in the scope of work requires an extension in the period of the contract, the motivation must distinguish between the change in the scope of work and the period for which the contract is extended.
- 5.3 If the AO/AA participates in a transversal contract, the AO/AA may not expand or vary the transversal contract, but may request the relevant treasury to expand or vary the contract.
- 5.4 If a contract for—
- (a) construction-related goods or services or both, is expanded or varied by more than 20% or R20 million (including all applicable taxes), whichever is the lesser; and
 - (b) all other goods or services or both, is expanded or varied by more than 15% or R15 million (including all applicable taxes), whichever is the lesser,
- the AO/AA must, in a format determined by the National Treasury, submit a monthly report, including the reasons for the expansion or variation, to the relevant treasury and the AGSA.
- 5.5 The AO/AA must record expansions or variations referred to in paragraph 5.4 in the annual report of the institution in a format determined by the National Treasury.
- 5.6 The relevant treasury and the AGSA may request additional information pertaining to expansions or variations referred to in paragraph 5.4.

6. RESTRICTION OF PERSON DOING BUSINESS WITH GOVERNMENT

- 6.1 The AO/AA must, in writing, notify a person of—

Enhancing compliance, transparency and accountability in supply chain management

- (a) the intention to restrict the person from doing business with the State;
- (b) the grounds for the restriction;
- (c) the intended period of restriction which may not exceeding 10 years; and
- (d) the right to make representations within 14 days as to why the person should not be restricted.

6.2 The AO/AA must—

- (a) consider the reasons provided by the person on why the person should not be restricted; and
- (b) if, after considering the reasons referred to in paragraph (a), the AO/AA intends to restrict the person, in writing, consult the National Treasury by submitting the notification envisaged in paragraph 6.1 and the reasons referred to in paragraph (a).

6.3 The National Treasury must, within 14 days of receipt of the notification envisaged in paragraph 6.2(b), submit to the AO/AA its view on the intended restriction.

6.4 The AO/AA must—

- (a) after considering the view of the National Treasury, make the decision whether to restrict; and
- (b) within seven days following a decision to restrict, submit to the National Treasury—
 - (i) the reasons for the decision to restrict;
 - (ii) the name and address of the person restricted;
 - (iii) the identity or registration number of the person;
 - (iv) the period of restriction; and
